Call For Railroad Strike Monday Surprise To Truman

President Is Considering Plan Of Action

Chief Executive Had Been Assured Of 'No Strike Call'

By PHILLIPS J. PECK
(I. N. S. Staff Correspondent)

WASHINGTON, August 24.—President Truman said today that the nationwide railroad strike call for 6 AM local time Monday came as a complete surprise to him and was contrary to the union leaders' assurances that no further strikes were planned.

The president withheld direct comment on what steps will be taken to cope with the threatened strike.

Mr. Truman gave no indication that he contemplates in any way early seizure of the railroads as the trainmen and conductors have been urging him to do.

There were hints that he might let them "stew in their own juice" for a while.

Assured Him No Strike

The president told a news conference that the unions had assured him up to an hour before they called the strike yesterday that they would not do so.

He said that he did not expect the strike, in view of the assurances by representatives of the two brotherhoods, and that the strike came suddenly and unexpectedly.

The president said that he would give further study to the action until he had made that study.

The president added that he would have a statement to make on the strike call later.

"Double Cross?"

A reporter asked:

"Mr. president, do you consider the tactics employed by the unions in this case a double cross in view of their assurances to you that they would not call a strike?"

The president smiled, and asked

ARMY CHIEF OF STAFF GETS REPORTS IN KOREA

—Acme Telephoto

SOUTH KOREA—Gen. J. Lawton Collins (3rd from right), Army Chief of Staff, receives the latest Korean war news from top ranking officers during his tour of the Korean war zone. Lt. Gen. Walton H. Walker (4th from right) seems pleased at what his brother officers report.

Chief Of Naval Operations Shows Optimism On War

TOKYO, Aug. 24.—(INS)—Chief of Naval Operations Adm. Forrest P. Sherman expressed optimism over the Korean situation today and said the U. S. far eastern naval force totals 150 vessels.

Personnel strength, he said, is 90,000 men, or double what it was two months ago when the war broke out. More men and ships will be added.

Gen. J. Lawton Collins, army chief of staff who visited Korea as did Sherman, likewise was brimming with confidence on his return to Tokyo. But Collins cautioned against hope of a quick victory.

"Remarkably Fine Job"

Sherman told a news conference:

"When you consider the magnitude of the forces which were thrown into the fight on the other (enemy) side and the many handi-

Probe Mystery Death Of Wave

Find Body Floating On Philadelphia Lagoon Last Night

PHILADELPHIA, Aug. 24.—(INS)—A bloodstained, initialed man's handkerchief stuffed in the bosom of a comely, 23-year-old blonde WAVE may provide police with a clue of how she met her death in a moonlit lagoon.

The WAVE, Ann Victoria Barrett, 23, of Denver, Colo., was an enlisted clerk at the Philadelphia naval base, who had been missing since last Monday night when she left a party of friends at a tavern.

Three canoeists in the lagoon near the naval base saw her body floating near the surface last night, clad in a navy slack suit.

Autopsy Scheduled

Coroner Joseph Ominsky said bruises on her face indicated possible foul play, and scheduled an autopsy today to determine whether she died of drowning or injury, and whether she had been criminally assaulted.

Ominsky said the handkerchief may provide an important lead. Stuffed under her yellow jersey, the handkerchief carried an initial that might have been either "J", "C" or "I".

The attractive WAVE was described as a "war widow" but police also heard reports that she was married.

The last known persons to see her alive are three WAVES with whom she went to a tavern Monday night. They said she suddenly told them she was tired and that she was going out in the car to lie down. When the others went to the car later, they found it unoccupied.

Will Curb Reckless Driving On Turnpike

HARRISBURG, Aug. 24.—(INS)—Reckless driving and speeding by motorists on the Pennsylvania turnpike are to be curbed under plans evolved by officials of the toll road.

The overall desire of the commission, according to Chairman T. J. Evans, is to improve safety on the turnpike especially in view of the impending opening of the eastern extension October 1.

Twenty-one state troopers patrol the 160-mile stretch between Irwin and Middlesex and it is expected that the force will be augmented when the eastern extension is opened between Middlesex and King of Prussia.

Push Bill To Provide Funds For Korean War

Committee Favors Nearly 17 Billion Additional Funds

By RAYMOND WILCOVE
(I. N. S. Staff Correspondent)

WASHINGTON, Aug. 24.—The House Appropriations committee today voted an additional $16,771,084,479 to prosecute the Korean war and rearm the western world against Communist aggression.

The bill will be called up in the House tomorrow. Passage is assured, probably before nightfall, and the giant measure will then go to the Senate.

Moves Swiftly

The House committee moved swiftly as House and Senate conferees pressed for final agreement today on the 34 billion dollar Omnibus Appropriations bill. This measure contains funds for domestic and foreign spending requested before the Korean war began.

The new action brings to 51 billion dollars the U. S. government budget for the 1951 fiscal year which began last July 1. Of this amount, 35 billion dollars, or 66 percent, will be spent to guard the United States and its western allies against the threat of Communist aggression.

Highlights Of Bill

Here are the highlights of the new 16 billion dollar fund bill:

1. Eleven and one-half billion dollars for the armed forces, bringing to 25 billion dollars the total funds being appropriated by the 81st Congress for the Army, Navy and the Air Force.

2. Four billion dollars in military aid to western allies, bringing

Over 300,000 Are Made Idle

Canada Feeling Widespread Effect Of Rail Strike

OTTAWA, Aug. 24.—(INS)—Upwards of 300,000 workers have been made idle and voluntary food rationing was in effect in some parts of Canada today as the nationwide railroad strike, now in its third days, clamped an ever tighter grip on the dominion's economy.

So far Canada's big cities have not felt any great pinch, but in the provinces and particularly in distant communities that are dependent on the railroads for their food supplies, stocks are getting short, resulting in rationing by some merchants.

Canda's parliament meets Tuesday to deal with the crisis amid indications it may vote for government seizure of the nation's two big railroad, halted by the strike of 125,000 non-operating members of 17 unions.

Camp Atterbury Is Inspected By 28th Division Officers

HARRISBURG, Aug. 24.—(INS)—Twenty Eighth Division officers headed by Maj. Gen. Daniel B. Strickler have completed an inspection tour of Camp Atterbury in Indiana where the unit is scheduled for training upon induction into federal service September 5

The Public Information Officer Lt. R. F. Seiverling, said the officers reported the camp has ample recreation facilities, a library, up-to-date post exchanges, theatres and chapels.

Realtors and chamber of commerce officials near the camp reported housing facilities at a minimum for families of men in the division, Seiverling added.

Two Planes In Head-On Crash Over California

Two Pilots Reported Killed And Another Is Reported Missing

VICTORVILLE, Cal., Aug. 24.—(INS)—Two pilots were reported killed, another was missing and a crew member was seriously injured today in the head-on crash of two B-26 medium bombers over El Mirage Dry lake, 20 miles west of Victorville.

The planes, part of the recently activated 452nd Bomb Squadron stationed at Georgia Air Force Base, were on night training maneuvers when the accident occurred.

Col. J. Depster of Georgia Air base said that the planes were part of a formation training for combat. The squadron, a reserve unit, was called to active service less than a month ago. It formerly was based at Long Beach, Cal.

Report Crews Of Four

Each plane in the formation reportedly carried a crew of four persons, an air force spokesman said.

The crash was reported by the lead plane in the formation which radioed the base that two aircraft had collided.

Air rescue planes immediately were dispatched and were guided to the scene by planes in the formation.

Ground rescue teams from Marsh Air base and from Georgia Air base were rushed to the scene escorted by motorcycle policemen.

Brig. Gen. Luther Sweetser of Los Angeles, wing commander, is directing rescue operations.

NORTH KOREANS BEING REGROUPED

—Acme Telephoto

Their six-day attempt to smash through to Taegu (1) thwarted, North Korean divisions northwest and north of the city were reported with drawing (broken arrows) to regroup for a new thrust further east, possibly against the seven-way highway and rail junction at Yongchon (2). On the southern front, (3) Reds were reported building up for major thrust through Masan to Pusan. On Pohang front (4) South Koreans continued northward drive, capturing high ground near Odoktong. Little action was reported from the last large enemy bridgehead at Hyonpung (5) where 6000 Red troops are massed.

Superforts Continue Their Attacks In North Korea

(BULLETIN)

TOKYO, Aug. 24.—(INS)—B-29 Superforts plastered the big North Korean chemical plants at Hungnam with 145 more tons of high explosives today.

The big bombers ranged up the enemy homeland's east coast to deliver the latest aerial blow at selected targets previously missed at Hungnam, where the largest chemical industries in east Asia are located.

Good weather Thursday also enabled a large fleet of allied planes to bomb, rocket and strafe a wide variety of enemy targets in the 60th consecutive day of the huge air onslaught.

F-80 jet fighters, the first to get in the air today, used all their ammunition by 8 a. m. against enemy troop targets southwest of Masan on the southern front.

In Close Support

Other light planes worked in similar close support of United Nations forces on the flaming battlefront while larger craft carried on what was termed an "increasingly successful effort to block the flow of reinforcements and supplies" to the North Korean army.

Senate To Open Debate On New Tax Bill Today

By FRANK B. ALLEN
(I. N. S. Staff Correspondent)

WASHINGTON, Aug. 24—The Senate opens debate today on the five billion dollar tax increase to finance the Korean War and a step-up tempo of national preparedness.

Senate Finance Chairman George (D) Ga., takes the floor to ask Senate acceptance of the committee-written bill.

There were private forecasts that Sen. O'Mahoney (D) Wyo., is winning increasing support for his excess profits amendment. A high Senate leader said privately that he believed that "there is a chance" it will be adopted. But the powerful finance chairman bluntly said: "I suppose they want a tax bill. They won't get one if they put the excess profits amendment in."

Begin Field House Work At Westminster

Site of new $215,000 Westminster college field house where construction is beginning to get underway.

Ground-breaking is underway on a new Westminster College field house to be constructed at a cost of approximately $215,000.

Work will be rushed on the structure to have it ready, if possible, by the time basketball season opens December 9. Whether the field house will be completed on schedule will depend largely on steel deliveries, college officials said.

The building will be a permanent brick and steel structure rather than the converted airplane hanger type originally planned. It will have an overall dimension of 222' x 157' and a seating capacity of 3,500.

On New Field

The building will be located on a newly developed 12-acre recreation field which will provide space for a new football field, a baseball field, a track, and large parking areas.

Anticipating completion of the field house early this winter, the college has scheduled a number of home basketball games with high caliber teams including, Duquesne, George Pepperdine, Maryland State, Arizona State, the University of Detroit, the University of Pittsburgh, and others.

The field house will contain space for two basketball floors, three offices, officials rooms, two locker rooms, stock room, a student manager's room, first aid room, rest rooms, a class room, and a large kitchen for use of the New Wilmington Missionary Conference.

Vic Minteer of New Wilmington has been awarded the contract to build the structure. Steel is being furnished by Macomber Steel Co., Canton, Ohio.

New Offensive Against Taegu May Be Coming

U.S. Forces Halt All Attempts To Drive On Taegu

By HOWARD HANDLEMAN
(Far Eastern Director, I. N. S.)

TOKYO, August 25.—(Friday)—Five Communist divisions totalling perhaps 50,000 men were reported Friday to be shifting important elements northeastward on the Korean front, possibly for a new offensive.

South Korean military sources reported that United Nations air and ground patrols "noted evidence" that the enemy troop shift was "general" all along the Taegu sector.

No large concentrations of the enemy were spotted, a front dispatch said, but a South Korean spokesman said the enemy might be massing east of Sinnyong or northwest of Pohang. Sinnyong is 14 miles northeast of Taegu.

Reconnaissance indicated, the front dispatch said, that the enemy movement got under way with shifting of small groups from the U. S. First Cavalry sector above Taegu.

Hunt Weaker Spot

The South Korean spokesman said the development may reflect failure of the Communist attempt to capture the South Korean provisional capital and that the Reds now are searching for a weak spot farther north.

The reports came from ground and air patrols as United Nations units unleashed concerted counter-attacks after routing Red infiltrators from a nine-mile highway stretch north of Taegu.

American troops in the southern sector launched new attacks Thursday in an effort to regain Sobuksan

Discover Roofing Nails Were Stolen From Area Cottage

Large quantity of roofing nails found scattered on the Perry Highway at Rock Springs Tuesday evening, were stolen from a New Castle man's cottage in that vicinity, State Police reported today.

Jack Cole of 121 Balph avenue, this city, reading the account of the nails scattered along the highway, in Wednesday's News, remembered he had ten pounds of roofing nails at his cottage along the Slippery Rock Creek, close to where the mischief took place.

Mr. Cole drove out to the cottage and found that someone had entered the building and stolen the roofing nails which he had stored there. It is not known whether the thieves maliciously threw the nails on the highway or whether they fell from a car or truck as they sped from the scene.

After discovering the theft, Mr. Cole called the State Police and reported the loss of the nails which were evidently used on the highway.

Investigation of the theft and the scattering of the nails on the highway is being continued by the state officers.

caps we faced with respect to units avialable here, equipment, and logistics. I think a remarkably fine job has been done under difficult circumstances.

"The fact that the front has been where it is for sometime and that the army has been able to deliver offensive blows speaks for itself."

Sherman did not include the marines in the 90,000-man personnel figure. He said a far-reaching build-up of U. S. naval strength is now under way in both the Pacific and Atlantic fleets.

Will Be Reinforced

The far eastern naval forces will be reinforced further with new units, he said. These include marines and anti-submarine elements, but he refused details.

The chief of naval operations praised the achievements of marine, air and ground forces in Korea, particularly the "high state of perfection" of integrating air strikes in support of ground units. He added that the cooperation and effectiveness of the British, Australian, Dutch, French and Canadian vessels have also been of the highest caliber.

The admiral expressed belief the lessons of naval warfare off Korea demonstrated the "clear possibility" of a permanent U. N. naval arm.

Gen. Collins, when asked about a possible quick end to the war, said:

"Enemy morale is on a decided decline, according to stories we get from prisoners of war. But I am not trying to give the impression that the Korean war will fold immediately."

NEW OFFENSIVE AGAINST TAEGU MAY BE COMING

(Continued from Page One)

Ridge, commanding the main road to Masan and the entry port of Pusan.

On the east coast two South Korean divisions captured heights 14 miles northwest of the liberated port of Pohang and pushed farther north along the Shoreline Highway toward Yongdok.

Enemy Pressure Slackens

Enemy pressure in all sectors slackened during the quietest 24-hour period of the Korean war. U. S. ground combat patrols thrust across to the Naktong river's west side and also deeply probed other parts of enemy territory in attempts to learn what the invaders were doing.

Officers at Gen. Douglas MacArthur's headquarters and in the field were inclined to believe the North Koreans were carrying out major regroupings of their battered forces, now placed at 12 divisions.

Front dispatches quoted ground and air scouts as saying they detected Red troop shifts eastward from the area north of Taegu.

The invaders had suffered heavy losses during a week of striving to punch through to the hub of Taegu from the north.

A heavy and protracted Communist artillery barrage against the South Korean Sixth Division indicated that the enemy may have been covering such troop transfers.

May Plan New Drive

The South Korean Sixth Division holds the sector below Uisong and just above Sinnoyong. The latter is 14 miles northeast of Taegu.

It was deemed possible the Reds may be preparing a drive on Taegu from the northeast along a rail-highway route that skirts the east flank of the U. S. 27th Regiment and South Korean First Division.

A briefing officer at MacArthur's headquarters said the Communist Fifth Division was known to be moving down from the Yongdok area on the east coast.

Purpose of this movemnt was believed to be to aid the Red 12th Division being pushed back above Pohang by the South Koreans Third and Capitol Divisions.

Foremost Commander Arrives

MacArthur's spokesman revealed that Lt. Gen. Kim Mu Chong, reputedly North Korea's foremost field commander, has arrived at the front and assumed charge of the enemy's Second Corps. Kim was a leader of China's Red armies for 20 years.

American headquarters seemed to believe that he had been sent to the front ot take a key role in directing enemy moves during the coming phases of the war.

Gen. MacArthur announced late Thursday that reinforced U. S. troops and South Korean units were pressing "coordinated" counter-attacks north of Taegu.

Vacationing ministers about the district have but one Sunday of their usual month-long vacation left. Visiting pastors will be found in many local pulpits next Sunday. Fall schedules will get under way on September 3 in most churches.

* * *

Approximately one more month of fast time remains for this district before the clocks can be turned back and local residents gain the hour they lost last spring. Custodians of public clocks will not have to turn back their time pieces as the clocks bear Eastern Standard time, the law not permitting them to be turned ahead.

Residents were inspecting with curiosity Wednesday a small foreign-made car bearing New York license on East Washington street. The car, a right-hand drive, was a sport model and painted a bright red. Two persons could just about squeeze into the one seat.

Although work is moving along rapidly on Cascade street between Butler avenue and the Frew Mill road, it will not deter motorists entering the Cascade street circus grounds on September 1, county highway department heads report to Pa Newc. The road will be in such a condition at that time that motorists may use it to get to the circus grounds, but caution should be used due to the work under way.

PRESIDENT IS CONSIDERING PLAN OF ACTION

(Continued from Page One)

that words not be put in his mouth, but that he would have his say on the matter fully when he makes his statement on the strike call.

The deadline was set a few hours after White House talks initiated last Saturday to mediate the dispute were broken off Wednesday night in a stalemate over the unions' 17-month-old demand for a 40-hour work week with the present 48-hour pay.

The White House had no comment on the reiterated plea of the trainmen and conductors for federal seizure and operation of the lines.

Only Avenue Seen

But there seemed scant chance of finding any other avenue of escape from a walkout which would affect 30,000 union members and cripple the nation's economy and defense program.

Continued bargaining sessions appeared to be doomed after spokesmen for the carriers accused the two brotherhoods of giving a no-strike pledge Wednesday and calling a walkout 45-minutes later.

A bitter statement charging the unions with "double-dealing and complete irresponsibility was issued by the management group. Its representatives include L. W. Horning, of the eastern railroads; C. D. Mackay, southeastern, and Daniel P. Loomis, western.

A strike would mean a tie-up of all the rail lines in the U. S. and Canada since 125,000 non-operating employes in the Dominion have quit work.

This prospect led some observers to speculate on White House intervention by the end of the week to forestall the grave consequences resulting from a massive shutdown.

WOMAN BREAKS LEG

Mrs. Marie Hartland, of 224 Boyles avenue, was admitted to the Jameson Memorial hospital at 6 o'clock Wednesday evening for treatment of injuries received when she fell down the cellar steps at her home. X-Ray examination at the hospital revealed fractures of the lower right leg and foot.

SENATE TO OPEN DEBATE ON NEW TAX BILL TODAY

(Continued from Page One)

tax written by House and Senate Committees next January. They said little will be gained by passing it now. Milikin said he is "inclined to think the committee position will prevail." Senate Minority Leader Wherry said he believes most Republicans "will follow Sen. Millikin's leadership" in the matter.

O'Mahoney's plan would levy taxes of 65 to 85 per cent on corporation profits above the average for 1947, 1948 and 1949, which O'Mahoney contends has been a golden era for corporations.

The committee bill would raise individual income taxes an average of 16 per cent, boosting withholding taxes 15 to 18 per cent on October 1. It would boost corporation taxes from 38 to 45 per cent. Upwards of a billion of the increase is expected to come from closing technical loopholes in the present tax laws.

BRIDAL SHOWER FOR JACKIE CONLEY

Miss Jackie Conley, 938 Marshall avenue, was the guest of honor at a pre-nuptial shower given by Mrs. Glenna Sentgeorge in her home, 419 E. Garfield avenue on Tuesday evening.

Cards were the pastime of the evening with prizes being awarded to Mrs. Sylvia Shoaff, Mrs. Elizabeth Ann Skundor, Miss Eleanor Suciu, and Miss Jackie Conley.

A tasty lunch was served by the hostess, assisted by Miss Beverly Furlong. Summer flowers arranged in a novel sprinkling can provided the table centerpiece. A blue and white color scheme predominated.

The honoree was presented with many lovely gifts of a miscellaneous nature by the group.

Jackie, daughter of Mrs. William Conley, will be married to Raymond G. Barker, son of Mr. and Mrs. Raymond J. Barker of 45 Greely avenue, Etna, Pittsburgh, on September 30, in Pittsburgh.

SISTERHOOD FROLIC SET FOR AUGUST 30

Members of the Temple Israel Sisterhood are looking forward with anticipation to their annual summer frolic to be held on Wednesday evening, August 30, at the Ellwood City Country club.

Dancing to the music of a well-known orchestra will be featured from the hours of 10 p.m. to 1 a.m. Mrs. Irvin Robins is the general chairman of the dance.

Mac Jac Club Meets

Mrs. Mary Lou Jackman, 1106 Delaware avenue, received members of the Mac Jac club on Wednesday evening.

"Five hundred" was a pleasing pastime with honors going to Mrs. Helen McClain and Mrs. Jennie Cook, mother of the hostess, who was a special guest, and Mrs. Lucille Carroll. Mrs. Eleanor Susko also shared as a special guest. The hostess was assisted in serving a tasty lunch by the special guests.

The next meeting of the club will be held September 7 at the home of Mrs. Claudia James, Graceland road.

SECTION TWO HAS BIRTHDAY PARTY

Section Two of First Christian church was entertained Wednesday afternoon at the home of Mrs. Daniel Williams, Fairmont avenue, with Mrs. James Bowman as cohostess.

At that time the birthdays of Mrs. Frank Nessle and Mrs. Margaret Clarke were celebrated. The honorees were presented with lovely gifts from the group. The birthdays of the two women fall one week apart.

Later a tempting tray lunch was enjoyed, individual cakes with lighted candles being served. Mrs. Ralph Logan and Mrs. Theodore Jameson acted as aides. The group sang "Happy Birthday" for the honorees.

Mrs. James Phillips and daughter Polly of Sacramento, Calif.; Mrs. Raymond Taylor, Mrs. Harold Dunlap, Mrs. Pearl Thatcher and Miss Anna Patterson, the latter of Oil City, were special guests. Mrs. Ella Poole, Pittsburgh, an out-of-town member, was also present.

Sewing will be a feature of the next assembly at the home of Mrs. Woods Anderson, 1007 Beckford street.

BRIDE-ELECT HONORED WEDNESDAY EVENING

Mrs. Max Mumford and Miss Etta Foreman of rear 321 East North street, were hostesses at a personal shower Wednesday evening, honoring Miss June Gettings of this city, a bride-elect of Saturday evening, August 26, at 7:30 p.m.

Games and informal chat provided the evening diversions after which the honoree opened her many lovely gifts.

Miss Foreman and Mrs. Ileana McGarey served dainty refreshments later in the evening to the guests.

Miss Gettings will be united in marriage to Paul Malaniak of Volant, R. D. 3, Saturday evening at an "open church" ceremony in the Alliance Gospel Tabernacle, 210 Pearson street.

RUBEIS-DeMATTEIS EXCHANGE OF VOWS

Summer flowers, glowing candlelight, and greenery provided an effective altar setting for the marriage of Miss Olga Catherine Rubeis, daughter of Mr. and Mrs. Generoso Rubeis of 1115 Dewey avenue, to Ulderico DeMatteis, son of Mr. and Mrs. Theodore DeMatteis of Crescent, Pa.

The young couple repeated their wedding vows in St. Vitus church on Saturday, August 19 at nine a.m. with Rev. Fr. Albert M. Inteso, assistant pastor, offciating at the double ring ceremony.

Escorted to the altar and given in marriage by her father, the petite bride was dressed in a distinctive wedding costume, an original, of nylon marquisette. A sheer yoke accented the off the shoulder neckline, with a double row of ruffles bordering the yoke and coming to a deep V in front. The shirred bodice was fitted and long sleeves tapered over the wrists. The full skirt, designed with three rows of ruffling, ended in a cathedral train. Her imported French illusion veil was attached to a rhinestone and pearl tiara. She carried a gold-leafed mother-of-pearl prayerbook, ornamented with two white orchids and cascading stephanotis.

A good luck piece was carried in the bride's imported lace handkerchief and she also wore something old, something new, something borrowed and something blue. Her only ornament was a rhinestone necklace, gift of the bridegroom.

Mrs. Shirley Moraldi, close friend of the bride, was maid of honor for the occasion, and Mrs. Henry Rich, twin sister of the bride, was matron of honor. Bridesmaids included Misses Lola Tomei, Irene Innocenzi and Norma Germani. The maid of honor was attired in a becoming gown of canary yellow marquisette, with a sheer yoke which added to the charm of the off-shoulder neckline. Tiers of dainty ruffles from the waistline to the hem featured the back interest. A picture hat and gloves of matching color completed the ensemble. An identical gown of white was worn by the matron of honor and the bridesmaids were gowned in pastel dresses, fashioned like those of the other attendants. They, too, wore picture hats and matching gloves. Fan bouquets of white baby mums with an orchid center at the base of the fan were carried by the attendants.

Bob Pandice served the groom as best man. Other groomsmen were: Henry Rich, Anthony DeMatteis, Frank DiCola and John Moronti.

Mrs. Frances Colao, organist of the church, played traditional bridal recessional music for the occasion. Guests were presented with a booklet containing the nuptial mass, blessing, and marriage ceremony.

A congratulatory period followed in the church vestibule, after which the wedding breakfast was served to a large number of guests at a local inn. A wedding dinner was served at one o'clock to approximately 100 guests. Approximately 700 guests attended the evening reception at the Arena. Mrs. John G. Rubies was in charge of serving at the reception. Mrs. Frank Herring poured. Other aides were: Mrs. John Chairo, Jr., Mrs. Andy Pasquariello, Mrs. Abe Rubeis, Mrs. James Pidro, Mrs. George Antonio, Miss Della Capone and Mrs. Maria Innocenzi. Later in the evening, Mr. and Mrs. DeMatteis departed for a trip to Toronto, Canada. They will be "at home" to their friends after August 28, at their newly furnished apartment in Hillsville.

Mrs. DeMatteis is a graduate of the New Castle high school. Her husband is employed at the Sharon Steel corporation of Lowellville, O.

Hill School Reunion

Annual Hill school reunion will be held on Saturday, August 26, at the East New Castle Grange on the Ellwood road, according to president, Jeff St. John.

A basket picnic at noon and a sports program in the afternoon will make up the program.

MALIZIA-MANZO NUPTIAL NEWS

Miss Olga Malizia, daughter of Mr. and Mrs. Anthony Malizia, 1110 Butler avenue, and Domenick Manzo, son of Mr. and Mrs. Anthony Manzo, 1418 Laurel Place, exchanged wedding vows at an impressive single ring ceremony on Saturday, August 19, at nine a.m. in the Croton Methodist church. Rev. Owen Shields read the service, uniting the couple.

Given in marriage by her father, the bride wore a gown of white nylon marquisette with Chantilly lace. A sheer yoke was a feature of the lace bodice and a lace peplum enhanced the full nylon marquisette skirt which extended into a cathedral train. A fingertip veil of silk illusion was held o a tiara of beads and rhinestones. The bridal bouquet was composed of lilies and stephanotis.

Miss Anne Howe was maid of honor for the occasion and the bridesmaids were the Misses Marlene Anderson and Delores Iafrat. Their gowns had lace bodices with sheer yokes and lace peplums over full nylon marquisette skirts, the honor maid in aqua blue accented by a bouquet of yellow roses and mums; the bridesmaids in maize their flowers consisting of Talisman roses and mums. Completing their costumes, they wore large picture hats and matching mitts.

Frank Cook attended the groom as best man and the ushers were Frank Malizia and Anthony DeLorenzo.

Miss Betty Jane Nelson sang "The Wedding Prayer" and "Because", accompanied at the piano by Mrs. C. H. Teece.

Three hundred guests attended the wedding reception at King Humbert hall in the evening.

When Mr. and Mrs. Manzo return from their wedding trip to an undisclosed destination, they will reside at 308 Cascade street.

The bride attended the local high school and was employed at the G. C. Murphy company. Mr. Manzo is employed at the Mooney Brothers company as a driver.

DOROTHY CIOFFI ENGAGED TO WED

Mrs. Clara Krueger, 1020 Beckford street, announces the engagement and forthcoming marriage of her daughter, Miss Dorothy Cioffi, to Robert James, son of Mrs. Valera C. James of Pass-A-Grille, Fla.

The open church ceremony will be performed at the First U. P. church on September 2 at 7:30 o'clock.

MISS PEG O'LEARY HONORED AT PARTY

Miss Peg O'Leary, bride-elect of September 2, was guest of honor on a recent evening at a party held at the home of Mrs. Benny Brown, nee Nancy Lehman, in Grove City.

The early evening hours were spent in comprising a memory book and a book of advice for the bride. Miss O'Leary then followed a solo treasure hunt to find many lovely gifts for her future home.

A dainty lunch on individual trays was served at a later hour by the hostess, aided by her sister, Miss Lorena Lehman.

Miss O'Leary, daughter of Mr. and Mrs. Joseph F. O'Leary of Scott street, will be united in marriage to Emil Brown of R. D. 1, Volant, at an open church wedding on September 2 at 10 a. m. in St. Mary's church.

PERSONAL SHOWER FOR LUCILLE MASH

Honoring Miss Lucille Mash, a personal shower was held Wednesday night at a local inn, with Mrs. Josephine Cynkar as the hostess.

Games, music and dancing were the pastimes, with prizes going to Mrs. Joan Ferrari, Mrs. Patty Richards, Mrs. Mary Orrico and Miss Violet Thomas.

The bride-elect received an array of lovely gifts. Special guests for the evening were Mrs. Christina Scardecchio, Mrs. Helen Mash and Mrs. Jessie Mash.

Miss Mash will become the bride of Edward Grzybowski at an open church wedding in St. Vitus church on September 4.

ALICE GWIN FETED AT BRIDAL SHOWER

Miss Eleanor McFate of Edenburg entertained at a miscellaneous shower at her home on Wednesday evening in honor of Miss Alice Gwin, daughter of Mr. and Mrs. Dale Gwin of Enon Valley.

Twenty high school friends and other guests were present for the fete. The living room mantel was decorated with an imitation church aisle with a bride's doll, bridesmaids' dolls and candles. Games were a pleasant pastime and the guests made scrapbooks of the bride-to-be's future life. An array of gifts was given to the bride-elect.

Lunch was served by the hostess, assisted by her mother, Mrs. J. C. McFate. Handkerchief umbrellas and candy corsages were given as favors. Special guests were Mrs. Dale Gwin, mother of the honor guest; Mrs. J. G. Gregory, mother of the prospective groom, and Miss Alice Dice of Pittsburgh.

Miss Gwin is the fiancee of Jack Gregory, son of Mr. and Mrs. J. G. Gregory, 508 East Moody avenue. The date of the couple's marriage will be announced in the near future.

BELL FRIENDSHIP CLUB HAS GATHERING

A corn and wiener roast was enjoyed by the members of the Bell Friendship club on Wednesday evening at the home of Mrs. Marian Southern, Wilmington road.

The diversions were music and chatting, with Mrs. Helen Dygert and Miss Hazel Monroe singing, accompanied at the piano by Mrs. Thora Williams.

Plans were made for a halloween party to be held on October 24, the place to be announced. Mrs. Southern was assisted in serving by Mrs. Frances Burke and Mrs. Hilda Bruce.

Happy Nine Club Meets

Mrs. Brady Keyes, College street, opened her home to members of the Happy Nine club on Wednesday evening.

"Five hundred" provided a diverting pastime with high scores going to Mrs. Brady Keyes and Mrs. Harry Haggerty; second prize to Miss Nancy Haggerty and consolation to Mrs. John Eagan.

Mrs. Eagan's birthday was remembered with a gift from her secret sister. A tasty lunch was served by the hostess, with Mrs. Harry Haggerty and her daughter, Kitty, as the aides.

September 13 is the date of the next club meeting at the home of Mrs. Haggerty, Walnut street.

CIA'S NEW BOSS

It is difficult to think of any American better fitted to head the nation's Central Intelligence Agency at this critical moment in history than Lt. Gen. Walter Bedell Smith, who has just been appointed to the job.

General Smith is a tough soldier and a tireless worker with a razor sharp mind. In three years in Moscow, as U. S. ambassador, he got to know the Russians well and he is probably as familiar with the workings of Premier Stalin's mind as any other American.

A man of broad experience and few illusions, he seems exceptionally well equipped to head an agency whose principal job is to safeguard the United States against surprise attack.

It is extremely unfortunate, however, that the CIA has had so many different heads during the three years since it was set up by Congress. No agency can be expected to function at its best with such frequent changes in its top command. The FBI, by contrast, has had the same directing head for the past 25 years.

If the CIA is ever to achieve the effectiveness of the FBI —and it is certainly no less important to national security— it must be given a chance to function without constant interruptions. No matter how good a man is, he can't accomplish much if he is booted out as soon as he becomes familiar with the working of the agency he heads.

AUSTRALIA AND THE UNITED STATES

The following editorial recently appeared in the Sydney, Australia, Daily Telegraph:

"If the gentlemen in Canberra have the vaguest idea of this nation's best interest, they will announce that Australia will support the hard-pressed Americans in Korea with a division of land troops and more fighting planes. The reasons should be obvious to every Australian who remembers how we felt in 1941 when this country lay wide open to invasion. If the Americans are swept out of Korea and Formosa, the Russian front will be triumphant throughout Asia. Whatever friends we have still on the Asiatic continent will desert us. Then Australia will be far out on a lonely limb.

"What saved us from battle on our soil and conquest in the last war except American help? Can we expect similar help again if we let the Koreans murder Americans in another Dunkirk without doing everything we can? The Americans are closely watching all the peoples who have give flowery lip service to the U. N. and have received in return generous U. S. aid. If they sit on the sidelines now, while Americans die in an outnumbered struggle, many American people will argue that they would be wiser to spend their money on themselves and let the rest of the world sink. That might be a foolish, emotional reaction, but it would be understandable.

"We are told that some British people enjoy the spectacle of Americans fighting while Britain for once is at peace. That is a stupid satisfaction. For only one thing keeps Britain or any of us at peace at this moment and that is Russia's fear of American industrial strength backing up a solid British-American front. They would have their happiest day of all time at the Kremlin if the Korean struggle ended with Americans feeling that Britain and her dominions had let Americans down. For that would damage the only military and political combination which may draw a line to Russian ambitions. To forestall this blow we and the rest of the British Commonwealth must give as generously as we expect Americans to give when we are in difficulties. This is a moment for action which counts only the needs of our friends."

ELECTRONIC BRAIN

The enormous amount of brainpower and man hours a rack of humming, clicking vacuum tubes will save causes one to be open-mouthed in amazement. There are many names for such machines, but "electronic brain" seems to be the most descriptive and colloquial.

The number and type of individual operations these "brains" will perform are legion. Generally speaking it can be said that they are performing a tremendous service for the human masters that run them.

They assimilate and collate data and come up with answers that would take the lifetimes of skilled mathematicians to compute. They save vast amounts of research money and chop months, even years, from the time it takes, say, an aircraft engineer to plot the speed and altitude of a guided missile that hasn't yet been manufactured.

One looks at the accomplishments of these massive gimmicks with longing. It is wished their almost supernatural powers could be diverted to solving problems that vex and concern freedom-loving people today.

THE COUNTRY PRESS SAYS

SOMERSET, PA., DAILY AMERICAN: "President Truman says the government has been the salvation of private enterprise, though the record shows that time and again private enterprise has been the salvation of the government."

OAKLAND, CALIF., VOICE: "The president of a Kentucky bank implies that bankers are getting soft. The reason that's happening, he argues, is that banks don't take the risks they used to. More and more, government is guaranteeing credit, underwriting risk, and subsidizing losses.

"In the last two decades, the bank president pointed out, government loan guarantees have increased from only a few hundred million dollars to more than 20 billion. Bankers, he maintains, are well on the way to becoming mere middle-men for government agencies."

Washington Calling

(By MARQUIS CHILDS)

May Seek To Revise U.N. Charter

WASHINGTON, Aug. 24.—The loud noises coming out of the United Nations headquarters at Lake Success have made it sound as though this was the beginning of the end of the second try at world organization. But there is a hopeful view which holds that this is the beginning, or trial stage, with a new and creative phrase more than a possibility.

The hope is based in considerable part on the plans under discussion for the session of the general assembly next month. While these plans are still highly tentative, the very fact they have reached the memoranda stage indicates the U. N. may be able to move off the present dead center of bitter dispute.

May Revise Charter

No. 1 is a proposal to be put before the assembly calling for a revision of the U. N. charter. This would take the form of a kind of constitutional convention to overhaul the basic document adopted at San Francisco. It would be a second San Francisco conference with member nations sending delegates to amend, or even discard, the present charter and start anew.

That could be a way out of the strait jacket that today seems to hold the U. N. in a state of perpetual dissension. At any rate it is being seriously studied by those who believe that bold and positive steps are necessary.

Can Be Called

Russia could not apply the veto in the assembly to a proposal for such a convention. Such a conference can be called "for purposes of reveiwing the present charter" by a two-thirds vote of the general assembly, and by a vote of any seven members of the security council. This could therefore be brought about regardless of the Russian attitude.

But when it comes to alterations, the rat-trap rigidity of the present U. N. constitution again seems to apply. The language of the charter is as follows:

"Any alteration of the present charter recommended by a two-thirds vote of the conference shall take effect, when ratified in accordance with their respective constitutional processes, by two-thirds of the members of the United Nations, including all the permanent members of the security council."

Russia Might Hesitate

If such a conference should agree by two-thirds vote to throw out, or radically change the veto power in the security council—the big monkey wrench—Russia, a permanent member of the council, could refuse to go along. The belief, however, of those who are working up this plan is that Russia would not get away with it.

Faced with the virtually unanimous desire of other nations to force a really meaningful charter, Russia might hesitate. A veto or a walk out would make perfectly plain to the whole world that the final source of obstruction was the Soviet Union.

Proposal No. 1 is related to proposal No. 2. A conference to review the U. N. charter would be called to make a change in the present permanent members of the security council. India would be substituted for China.

Would Do Lot Of Things

Thi would do a lot of things. To begin with, if it could be brought about, it would eliminate most of the friction over whether Red China, or Nationalist China, should sit in China's permanent seat.

The Nationalist delegate today represents nothing more in fact than the island of Formosa and Chiang Kai-shek's hold on that island. This is obviously unreal. In his brilliant and searching book "War or Peace", John Foster Dulles says that the communist delegate should be seated when it is clear beyond any doubt that the communist Chinese are, in fact and in law, the government of China.

But it is just as obvious that from the point of view of American public opinion, this could never happen while American troops are fighting and dying to drive out the North Korean communist invaders. The Chinese communists have pledged their loyalty to the North Koreans.

Would Make Sense

With China no longer a permanent member of the council, the quarrel would be abated. And such a move would seem to make sense from other points of view. India is moving toward consolidation and unity. In contrast, China, in spite of the false surface of communist "unification", seems still in the process of distintegration that has been going on for several decades. The Nationalists, if we accept their word at face value, will never stop until, first, by guerrilla action and then by direct attack, the communists are destroyed and supplanted. That could mean at least another ten years of civil war.

If a U. N. conference were to vote to supplant China as a permanent member with India, Russia would be on the spot. To fight such a move and finally to veto it would be to stand in opposition to the hopes and aspirations of 400,000,000 Indians, and this might have some weight even though communist Russia has never hesitated to thwart the hopes and aspirations of most of the peoples of the world for peace.

The Parent Problem

By Garry C. Myers, Ph. D.

CLOTHES INFLUENCE PERSONALITY

What the "other girls wear" is important to the elementary school girl, especially those between ten and twelve years of age. To Joan's mother it may seem relatively unimportant that she have clothes similar to those worn by her classmates. But to Joan it may mean social acceptability and a happy personality instead of acute self-consciousness and many moments of unhappiness. This is especially true for sensitive, timid chidren. (My bulletin, "The Lonely, Timid Youth," may be had in a stamped envelope sent me at 235 East 45th street, New York City, N. Y.) Yet such conformity does not necessarily mean higher cost, whether the garment is ready-made or home-made.

Standards For Selection

In choosing clothing for your child, be practical. Look for artistry, simplicity, appropriateness. Choose suitably becoming garments made from sturdy fabrics that will meet the everyday needs of the grade school girl. Delicate pastel wools, tight-fitting, puff-sleeved, ruffle-trimmed dresses are appropriate, especially when mother does the laundry and the family income is limited.

Thompson and Rea, in "Clothing for Children," present some guides for sensible mothers: Will the garment open flat for ironing? Can it easily be let out as the girl grows taller or stouter? Is the garment suited to the build of the girl? How few are the trimmings? Have they careful finish, appropriate length of stitch and good quality of sewing thread?

These experts tell us that good fabrics do not need ironing, are spot-resistant or can be wiped off with a damp cloth, are crease-resisant, will not shrink or fade, will launder easily and won't need starching, don't require dry cleaning, and are lightweight, flexible and artistic. "School clothes should be of sturdy materials which will stand hard wear, a trip on the bus, and playing on the school ground, and yet not look too soiled or mussed by the end of the day."

Shopping Education

Fortunate the grade school girl who gradually shares in choosing her garments and is finally able to shop for some of them alone. Before you go shopping with your daughter from six to twelve years of age, talk over with her some of the foregoing standards. As early in her shopping experiences as possible let her see a number of different garments within the range of standards and prices you would approve, so that she has an opportunity to choose. Even before entering high school she should be well educated in doing most of the shopping for her own clothing. Your success at winning her cooperation and leading her to make wise choices will depend largely on her earlier family experiences in talking over the family income and expenditures, and in the wise use of an allowance. (My bulletin, "Allowances," may be had in a stamped envelope sent me at 235 East 45th street, New York, N. Y.)

They Say

LAKE SUCCESS, N. Y.—U. S. Ambassador to the United Nations Warren Austin: "I hope the Soviet representative will understand if there is disgust at his apparent disposition to regard peace only as an item of conversation."

WASHINGTON—Defense Secretary Louis Johnson: "If universal military training is enacted now, its psychological effect abroad will be of incalculable value to the cause of world peace."

WASHINGTON—Sen. Morse (R) Ore.: "No nation has the right to send untrained men into battle."

NICE, France—Movie star Errol Flynn: "If I believed all the rumors about me, I would go stark raving mad. I don't want no trouble with nobody."

DOWN UP—BOOM

Some of the new houses are all on one floor. There are no steps or stairs. That eliminates a lot of danger.

Stair steps are a hazard. It doesn't seem to matter whether they go up stairs or into the cellar It is a good plan to put paint on the bottom cellar step but dad will slip on it anyhow.

A well lighted stair is a little safer than a dark one usually.

Maybe a danger sign would help some. Butch comes down like a land slide anyhow.

'WE VIEW WITH ALARM'

Stockholm Observations

(By HENRY McLEMORE)

STOCKHOLM, Sweden, August 24—To conform to the public's reception of a newspaperman, a newspaperman must always carry a pad and pencil.

As my burning desire is to be taken for a newspaperman I always have a pad and pencil ready. In Stockholm I have used both and, in the following paragraphs, you will read what I jotted down when I was not too busy wrinkling my clothes, crushing my hat, and generally making myself disreputable looking in order to further my appearance as a member of the Fourth Estate. Funny, isn't it, that in all the plays and movies which planted the picture of a newspaperman in the public's mind, no newspaperman ever appeared.

Some Of My Notes

But to get on with my notes, lifted from the notebook without change:

All department stores and restaurants have chains where patrons may hook dogs while shopping or eating. . . . Stockholm dogs are well mannered. . . . Have seen chows, boxers, pekes, cockers and bulldogs fastened side by side, but have yet to see a dog fight. . . . American dogs would be scrapping all the time, especially my dogs, Dinah and Bumble. . . . They would be almost certain to be licked in a fight. . . . Swedish dogs look stronger, healthier than U. S. A. dogs, especially Fla. dogs. . . . Must remember to bring Bumble and Dinah over for a few weeks of skiing.

Credit still good at Morris Plan? . . . If not, hit McAdam for buck or two.

Streets Are Quiet

Do my ears deceive me in Stockholm? . . . Why are busy streets so quiet? . . . Asked man in cafe and he told me it is aginst the law to blow an automobile horn in the city unless it is absolutely necessary to avoid accident with another car or pedestrian. . . . Blow without cause and blower taken to jail pronto. . . . Same goes for street cars, buses, motorcycles, motor bikes, et cetera.

Sweden tries to look after the little man. . . . What is "little man?" . . . Phrase is used a lot but does it make sense? . . . Has anybody ever honestly admitted he is a "little man?" . . . My guess is that no man considers himself a "little man." . . . Quite right. . . . We live in a world where every man is asked to risk his life or give his life sometime or other, and bullets hit man who dines at the Stork Club as easily and as painfully as man who can't get into or afford the Stork Club. . . . Not picking on Stork Club. . . . Billingsley has always been very nice to this Georgia country boy. . . . Acted as if my money was as good as anybody else's. . . . Like Sherman. . . . Very much. . . . But what about Sweden's treatment of "little man?"

Little Man's Menu

Sweden does this. . . . No matter how fancy a restaurant, no matter how much mink drip, no matter how much dishes cost, menus must have "little man's" menu on back. . . . Riche Restaurant, the best in Stockholm, charges real good for real good food, but on reverse side menu must have meal "little man" can afford. Dinner must not cost more than 2.75 kronor (roughly sixty cents, American) and must consist of bread, butter, choice of five hot dishes, one of which must be solid meat, no hashes, chopped-up leftovers and the like. . . . Menus must be changed every once in a while, too. . . . No printing cheap dinner first year and letting it run all year. . . . Must be same quality as top-priced food.

Owner of Riche Restaurant is a nice man named Tore Wretman. . . . Speaks perfect English. . . . Said he worked in States for two years in a little place in Florida called Daytona Beach. . . . I told him that's my home. . . . He bought me dinner with dessert for which I thanked him and his pretty wife Lillebel.

Swedish women are very pretty. . . . Men also very handsome—tall, healthy, slim, blond. . . . This is not right. . . . Pretty women should be with plain men and vice versa. . . . I am rather ugly so I guess that is the reason I figure this way. . . . Have enough character to admit this weakness, but wish I had more beauty, less character.

End of notes taken in one day.

Willing to accept Pulitzer Prize if no ceremony. . . . Can't stand fuss and feathers. . . . Not used to it.

Bible Thought

Lack of charity of mind is a certain evidence that we do not love our brother as ourselves. Follow after charity, and desire spiritual gifts.—1 Cor. 14:1.

From Me To You

By MESEEALL

So you like baseball . . . and there has been plenty of it in these parts this season . . . local and otherwise . . . But have you seen girls play baseball? That opportunity will present itself this coming weekend . . . Friday and Saturday at Flaherty Field the Springfield Sallies vs. Chicago Colleens.

* * *

These two girl teams are the real McCoy . . . playing the game in first class style and the trick plays they have under their caps . . . and of course bare knees add something to the color of the game . . . well anyhow, Friday and Saturday is the time to see these two great teams in action . . . and the money that will be realized will be used right here in New Castle for worthwhile civic projects . . . Ask Len Gilbert about that.

* * *

You know friends . . . there are a lot of things that happen around the town . . . that give you entertainment . . . and in doing so it gives various organizations an opportunity to raise a little cash that is usually used for the purchase of more entertainment for the community. So really when you support these special baseball games, stage shows and what have you . . . you are really getting more than your money's worth . . . you are not giving but receiving.

* * *

And when it comes to giving . . . we have only one thought in mind . . . and that is Your Community Chest . . . there you give your money to help those who are less fortunate . . . but when you get right down to hard facts you're not really giving as much as you think you are . . . for your contributions to the Community Chest can be deducted from your Federal Income Tax.

* * *

We call your attention to this difference . . . in supporting special events and giving to the Community Chest . . . it's a topic that all should understand and it won't be long until it will be Community Chest time again . . . but in the meantime you can help others by helping yourself to some wonderful entertainment . . . This baseball game now . . . and a little later the Rotary Club Variety Show . . . keep your eyes open and you will have some fun.

One Man's Opinion

By Walter Kiernan

(By International News Service)

Mr. William Green reports that $2 a head from his members will insure the election of a splendid new congress...Our first two-dollar congress.

And two dollars seems to be a bargain price to purchase release for the millions of labor slaves now held captive under the Taft-Hartley act.

Since this dread act became law, no man has been able to strike except in such industries as atomic development, railways, steel, coal, automotive, telephone, transportation, shipping, radio, television, news et cetera.

But Mr. Green reports the price of freedom is coming in slowly from his members...They don't seem to realize what two dollars will buy in the way of a congressman.

Anyway, it's heartening to know that old Bill stands ready to give another "no strike" pledge. The last one worked so well that during the the war years there were only 14,000 stoppages.

In 1940, our last peacetime year, there were 2,508 stoppages but by 1944, when we were deep in war, that changed...That year there were 4,596.

Malik Walks Lonely Road

RUSSIAN DELEGATE GOES IT ALONE

LAKE SUCCESS, N. Y., Aug. 24.—(INS)—Jacob Malik, president of the Security Council of the United Nations, Russian delegate to the council, and the greatest non-paid villain in television history, walks a lonely road at Lake Success today.

Nobody—not even Sir Benegal Rau, representative of lukewarm India—will talk to him any more.

The impassive, dish-faced Malik, who says that hot is cold and up is down and that no propaganda devices by the Anglo-American imperialists can alter these known facts, is spoken to only by his Russian cronies and the half-dozen gun-toting strongmen who follow him everywhere.

At the private diplomats' bar within the U.N., nobody goes near Malik. He drinks by himself, over to one side.

Gets 5,000 Letters Daily

In his mail each morning are an estimated 5,000 letters from all over the world, calling him names, storming against him and inviting him out into the alley.

Within the Security Council chamber itself, other delegates sit quietly, speaking to one another at times but not to the portly man who wields the president's gavel.

Red electric signs reading "silence" flank the wall on either side of Malik's chair. They are flashed whenever the audience—about one-twelfth of the 12,000 who apply for seats each day—threatens to become noisy. Blue-uniformed council police prowl the aisles to make sure the order is obeyed when the "silence" lights flash on.

The "silence" signs are controlled by a little button. Malik, as president, is the man who pushes it."

Has To Call For Silence

He had to push it Tuesday. As president, he gave the floor to the Russian delegate. As the Russian delegate, he then delivered one of his big built-in filibusters, beamed at heightening anti-American sentiment among the peoples of Asia.

The speech was calculated to last just long enough so that, counting the post-speech translations into English and French, it would consume the entire afternoon and thus occupy this morning's headlines.

But a prompt point of order by the French and British delegates made Malik dispense with the French translation, and then when Britain's Sir Gladwyn Jebb pointed out that he could also do with the English translation—and thus get on to his own rebuttal—the pent-up crowd roared its approval.

The red lights flashed instantly, "Silence!"

Malik Gazes Stonily Ahead

Malik gazed stonily ahead into the Cyclops eyes of the television cameras that carry the daily U.N. drama throughout the range of video networks. The Russian is acutely aware of the television cameras. He has quit doodling.

"We realize he's acting on orders from Moscow," one delegate remarked. "But his attitude has done this, putting it on the personal feud level."

Nobody envies Malik the strongarm guard which accompanies him wherever he goes.

Said another observer:

"With all those guys, he couldn't get away if he wanted to."

Looking At Life

By ERICH BRANDEIS

A few nights ago we went to one of the famous summer symphony concerts in the Lewisohn Stadium in New York.

I don't care much for classical music and avoid long drawn out symphonies like I try to avoid any plague.

But these concerts are different. Classical, yes, but the kind of classical music that anyone can understand, that goes right to your heart and makes you dream and feel and understand.

This night one of my particular favorites was being played—Beethoven's Violin Concerto—a master piece by a master composer, a piece that excites you, soothes you, enthralls you, lifts you into the skies on wings of harmony.

The soloist was Zino Francescatti, one of the greatest living violin virtuosos; the conductor, Vladimir Golschmann of the St. Louis Symphony Orchestra.

Altogether it was a perfect evening, one of those rare, cool New York summer evenings, with just a few distant peels of thunder and an occasional airplane soaring overhead—both apt accompaniments to the majesty of the occasion.

We enjoyed every minute of the concert—in the simple, pleasant way in which one enjoys all things that appeal to simple hearts.

By chance, the next morning, my eyes fell on a headline "Stadium Concert"—a criticism of the night before.

We thought the conductor was very good.

But we had not thought of him, like the critic, wrote, as a man of "highly respectable musicianship who could engineer his orchestra without exaggerating the rhetoric of the piece."

We knew he had done a fine job—but in our stupidity we had completely overlooked his "respectable musicianship", nor had we noticed the "rhetoric" of the music.

Then the critic went on and praised Francescatti for his "familiar breadth and tone of extraordinary levelness."

"It was an admirably calculated performance," he wrote, "with excellent co-ordinary in the transitions from one type of fingerwork to another. The double-stops were extraordinarily equalized and in tune. A cadenza is about the worst place for a plane to pass overhead, but the violinist was unflustered when one did go by in the cadenza of the finale."

To us musical amateurs, the planes overhead only emphasized the grandeur of the whole scene.

But to that critic it must have been a terrific tragedy to have a plane interfere with a cadenza.

I wish one thing for that critic, and all other writers of pompous, ostentatious, self-important phrases: May he and all his ilk learn to use the beauty of simplicity.

Modesty in words is usually wealth of thoughts. Bumptious phrases are something like too much rouge.

Rouge can cover but not erase the wrinkles of the skin. Words, no matter how long or how presumptous, can cover but not erase the wrinkles of the mind.

Rural School Openings Set

Most Of Schools To Start On Tuesday

Two different opening dates have been set by the schools of Lawrence county, County Superintendent Roy F. Conway announced today.

Most of the schools will get their terms started on Tuesday, September 5, a checkup made today reveals. The balance will start on Wednesday, September 6, the same date as the opening for city schools.

Schools which will start on Tuesday, September 5, include: Big Beaver, Little Beaver-Enon Valley Joint, North Beaver, Bessemer, Chewton, Ellport, Hickory township, New Wilmington, Perry township, Plaingrove, Slippery Rock township, South New Castle Boro, Volant, Wampum, Wayne township and Wilmington township.

Starting Wednesday

Schools which will start on Wednesday, September 6, include: Edenburg, Mahoning township, Neshannock township, Pulaski township, Scott township, Taylor township and Union township.

The opening date for the Shenango and Shenango-Taylor joint schools has not as yet been set, awaiting word from the contractor on the completion of the addition which is being constructed to the Shenango Consolidated school. If assurances are received from the contractor that the school will be ready by September 11, the opening may be postponed until that time. Otherwise, the term will get under way during the first week in September.

The date is expected to be set at a meeting of the board next Monday evening, it is stated.

While virtually all high school teaching jobs have been filled, there are some teacher vacancies in the elementary schools, Mr. Conway reports.

The term "grocer" originated as "grosser," a man who dealt in gross quantities of spices, as distinguished from a retailer.

Try And Stop Me

By BENNETT CERF

An overworked Columbia professor returned to his desk after a hurried luncheon at a nearby snack bar and snapped at his secretary, "Anybody call while I was out?" The secretary, a romanticist at heart, reported, "Yes, two. A couple of pigeons lighted on your window sill and stayed there several minutes." "Hmm," said the professor, his mind already on something else. "Did they leave any message?"

Will Mahoney, the top comedian who can "dance" a tune on a xylophone (he wears special shoes, and the stunt invariably brings down the house) is back from a triumphant tour of Australia. The story has reached Melbourne, reports Will, of the inland farmer, at the seaside for the first time, who pointed to a bird soaring over the breakers, and exclaimed, "Coo! Look at that strange bird up there." "That's a gull," volunteered his friend. "Well, gull or boy," concluded the farmer, "it's still a mighty peculiar looking fowl to me."

Government Trained Physicians May Be Forced Into Service

WASHINGTON ,Aug. 24.—(INS)—Defense deaprtment discussions were reported underway in an effort to force into military service physicians trained at government expense during World War II.

Maj. Gen. George E. Armstrong, army deputy surgeon general, advised the House appropriations committee that the law was being studied to determine whether they could be drafted.

Armstrong stated that this would require extension of the present 25-year limit on inductions because most of the physicians are now 31 or 32 years old.

Rear Admiral C. A. Swanson, chief of the navy's bureau of medicine and surgery, said that new legislation will be required.

Swanson stated that if these physicians, who did not serve during the last war, could not be brought into the armed forces, then it would be necessary to call up 1000 doctors in the navy organized reserves who did serve in World War II.

Armstrong declared also that "unless this matter can be resolved quickly, we are going to have to ask the army's permission to recall physicians (who served in the last war) against their will."

City Manager Drive Planned

Seek Support From Third Class Cities

HARRISBURG, Aug. 24.—(INS)—The state Chamber of Commerce will launch a drive next month for public support of legislation authorizing the council-manager form of government in Pennsylvania's 47 third class cities.

The proposed legislation would allow local voters in each city to decide whether they desire the council-manager system.

Chamber officials will meet September 21 at Harrisburg with third class city mayors, civic leaders and officers of statewide trade associations, women's clubs and labor organizations.

Members of the state senate's committee on local government and the state house of representatives' committee on third class cities also have been invited, according to state chamber executive director Leonard P. Fox.

Bi-Partisan Bill

A bi-partisan bill to authorize optional council-manager government for third class cities passed the House during the 1949 session of the general assembly but was spiked by a Senate committee.

Under the plan, Fox said, elected members of city council direct policies and hold legislative powers, but administrative duties are turned over to a trained city manager appointed by council and responsible to it.

Forty-four boroughs and four first class townships operate under the plan at present in Pennsylvania, Fox reported.

President Names Acheson To Head Delegation To U.N.

(BULLETIN)

WASHINGTON, Aug. 24—(INS)—President Truman today named Secretary of State Acheson as head of the U. S. Delegation to the United Nations General Assembly meeting at Flushing Meadows, N. Y., September 19.

It was assumed that Acheson will attend for the early part of the deliberations and probably deliver an address in the General Debate.

The Chief Executive also named Sens. Sparkman (D) Ala., and Lodge (R) Mass., to work as delegates.

Employes Of Penna. Railroad Plan Picnic

On Saturday, August 26, a basket picnic will be held at Kennywood Park, Pittsburgh, under the auspices of the Mutual Benefit Association, Pennsylvania railroad employees, for all employees and their friends.

Train leaves Pennsylvania west side station at 7:20 eastern standard time.

THE FAMILY SCRAPBOOK

By DR. ERNEST G. OSBORNE

WHEN THEY'RE "SASSY"

Nobody really likes sassy children. The "who do you think you are?" attitude or the chip-on-the-shoulder approach is decidedly unpleasant in both young and old. But, unfortunately there are still some sassy children. Why?

Nine times out of ten sassiness is a defensive measure. Julie feels that aunt Mary really doesn't like her. Attack is the best defense. So Julie's first reaction when aunt Mary visits is, "Oh, is SHE here again."

Sometimes fear and uncertainty lead a youngster to appear "fresh." Nine-year-old Mark is afraid that he won't be able to do as well as the other kids in school. His way of meeting the problem is to "show off."

When a youngster gets the idea that his parents don't love him or, when he finds that they pay little attention to him, sassiness may be his way of revenge or trying to get the attention he craves.

None of these are desirable or effective ways of meeting problems. But they're "natural" ways. If we grownups can only stop and realize what lies behind sassiness, it's not too hard to deal with it.

Real friendliness from aunt Mary will gradually change Julie's feelings; helping Mark by giving him jobs that make him feel a part of the group will temper his freshness; warm affection from parents soon dissolves the antagonistic sassiness that youngsters may show toward them.

Shrine Stag Picnic Dated

Tons of beef, corn and all the trimmings are ready for Syria Temple's annual stag picnic and traditional ox roast set for Friday September 8 at Kennywood Park.

Past Potentate Carl A. Daub chairman of the affair announced yesterday that he has purchased over 2,000 bushels of corn. The beef is being brought here from Chicago and will be cooked enroute.

CHILD BREAKS ARM

Nona Tindall, aged three years, of 210 E. Wallace avenue, suffered a fracture of the left upper arm, when she fell from a swing while playing at Buhl Park in Sharon Wednesday morning. She was brought to the Jameson Memorial hospital here, where she received treatment at 12:10 p.m.

Around Hollywood

By JAMES PADGITT

(International News Service Staff Correspondent)

HOLLYWOOD, Aug. 24.—Lewis Stone, yesterday's Passion King and one of the original stars to sign with Metro-Goldwyn-Mayer, observes 50 years in show business this week.

The 71-year-old actor has been a fixture at M-G-M since 1924. Recently he completed his umpteenth picture, "Grounds For Marriage," with Kathryn Grayson and Van Johnson. It was directed by Robert Z. Leonard who also is celebrating 50 years in the business this month.

The distinguished actor, whose name adds prestige to any film, entered show business in 1900 in a play called "Side-Tracked." That was two years after he was discharged with the rank of sergeant from the U. S. Army. He saw action in the Philippines.

Good Box Office

Early-day stage successes of the actor included "Bird of Paradise" opposite Laurette Taylor and "Girl Of The Golden West." He succumbed to the movies in 1915 in a propaganda thriller, "Inside the Lines."

After duty as a cavalry major in World War I he turned to Hollywood in earnest and became one of the studio's biggest actors as leading man to Greta Garbo and in later years as the wise Judge Hardy of the "Andy Hardy" series.

Stone has not been off salary since M-G-M was organized—and he never will be. The studio reckons that Stone even in a part calling for a line or two is still a magic name at the box office.

DUAL PORTRAYAL

Barry Nelson plays the title role in the Ed Gardner Production filmed in Puerto Rico, "The Man With My Face," which means that he has the two best parts because it is a dual portrayal.

Nelson plays Chick, the hero, and Rand, the villain. "I get only one salary though," moans Barry.

The six-footer was born in Oakland and got the acting bug at the University of California at Berkeley. Be bounced around at M-G-M after being discovered in a college production of "MacBeth," spent a period in the army and then scored on Broadway in "The Rat Race" and "Lights Up The Sky."

The Gardner offer in Puerto Rico was too good to pass up, so Barry was back in the movies again. Those who have seen the picture claim that the Oakland boy will reach the top in Hollywood in his second try.

Legion Notified Of Band Results

Earl Moffatt, commander, American Legion Post No. 343 has received notice of the bands' competition August 12 at Philadelphia first place having been won by Perry Gaston Post band with a percentage of .96 per cent. Other results were:

Second, J. Wesley Gaylan, Manak. Boyle Post, Lansford, .95 per cent; Homestead Post 60, Homestead, 95.123 per cent; fourth Claysburg Post 522, Claysburg, 93.11 per cent, and fifth, Liberty Post 308, Willow Grove, 71.32 per cent.

The United States, Canada, Australia and Argentina produced 89 per cent of the world's exportable grains last year, says the Encyclopedia Americana.

Elias Jacobs Sues Mercer County Man

Damages in the sum of $35,000 are asked in an action in trespass brought by Elias Jacobs, of 514 East Long avenue, against Leo Caldwell, of R.D. 2, Mercer.

Jacobs, in his suit charges that he was a passenger on a bus, which had stopped to discharge passengers near the underpass into Hillsville, on Route 224, when the defendant, operating a truck which was being driven at an allegedly reckless rate of speed, collided with the bus, as a result of which he sustained injuries of a permanent nature, of the head, neck, and spine.

LIBEL IN DIVORCE

Loyal E. Romack, of 419 Pershing avenue, Ellwood City, has filed a libel in divorce against Ruth A. Romack, charging desertion. They were married March 24, 1928, in Ellwood City. He claims that his wife wilfully deserted him on September 15, 1948.

MARRIAGES LICENSES JUMP

Marriage license applications have shown quite a jump since the war started in Korea, a review of the records in the office of Prothonotary John A. Edgar show.

Whereas there were 137 applications during the month of June this year, compared to 159 in June 1949, there has been a large increase during July and August. In July, 1949 there were only 90 applications, and 122 in August. However, July of this year shows 107 applications, and August so far shows applications of 123. Licenses are being issued at the rate of about ten a day at the present time.

Pittsburgh Youth Drowns In Bath Tub

PITTSBURGH, Aug. 24.—(INS)—George Sommer, seven-week-old son of Mr. and Mrs. George Sommer of Pittsburgh, drowned Wednesday when his mother fainted while bathing him.

When Mrs. Sommer regained consciousness, the baby was lying face down in a small tub of water.

New Equipment Will Aid Service Of Power Company

Increasing load on Pennsylvania Power lines continues to make it more difficult to remove them from service for necessary maintenance.

As a further step in the continuity of service to customers, a specially designed trailer, together with the necessary hot-line equipment, was recently purchased from the A. B. Chance Co. of Centralia, Missouri.

The tools were purchased in order that linemen could do normal line maintenance with the circuits energized at 12,000, 24,000 and 69,000 volts. In the past some work has been done on high tension lines but never on 69,000 volts and at lower voltages only at poles where there was no angle in the line. These new tools will permit doing all types of work on both straight line and angle or dead-end structures — on wood poles as well as steel towers.

To acquaint the company's line forces with the proper use of the tools, all line foremen, servicemen and most of the experienced linemen attended a two-day school recently which included the showing of motion pictures of this type of work as well as actual field experience by using the tools on the lines. A hot-line tool instructor of the A. B. Chance Company had charge of the school.

These tools generaliy are made of laminated Sitka Spruce and are tested for 75,000 volts per foot. Tools of this type are made for use on lines up to and including 287,000 volts.

Tungsten metal was first isolated from its ore in 1781 by two Spanish brothers named de Elhuyar.

House Member Tells Group They Should See Psychiatrist

WASHINGTON, Aug. 24—(INS)—House members Wednesday enthusiastically applauded a suggestion by Rep. Rich (R) Pa., that he probably needed the attention of a psychiatrist as much as they did.

Rich's suggestion today got a more enthusiastic reception from his colleagues than the proposal put forward yesterday.

On that occasion, the Pennsylvanian proposed that psychiatrists be called in to examine the members because Congress was forcing up food prices through the farm subsidy program. People in the galleries applauded enthusiastically, but the members sat silent.

Today, Rich alluded to the suggestion he made yesterday and then added: "I probably need that as much as anyone else."

District Rally Day Plans Made

Bible Schools Will Be Visited Sept. 3

Rally day for New Castle and Lawrence county has been set for Sunday, September 24, it was announced today by Paul D. Weller, president of the New Castle Superintendents' Council.

The event, which is jointly sponsored by the Superintendents' Conucil and the Lawrence County Sabbath School Association, will be participated in by almost 100 per cent of the city and county Bible schools which have a current enrollment of 25,000 people.

Extensive plans are being made to make this one of the most successful efforts ever sponsored by the cooperating groups. Weather conditions alone should be the only determent to banner attendances in the participating schools.

To make the Bible school pupils and leaders "rally day conscious" the Sunday school leaders group has arranged for a special visitation day on Sunday, September 3, when superintendents and other Bible school workers will make a personal visit to each of the Protestant Sunday schools of the city and county. Each visitor will have about ten minutes time to explain the plans that have been set up for the county-wide observance of rally day.

A goal of at least 20,000 in Sunday school on September 24 has been set. Report cards will be distributed so that they can be completed and returned in order that an actual count can be given on the number in Bible school on September 24.

The Superintendents' Council will assemble again on September 9 at First Christian church, when reports of the visitation committee will be submitted and any last minute details will be worked out prior to the big day.

Library Adds Books Of Interest To Teen Age Boys Recently

Teen age boys will find many new titles to interest them in the new books recently added to their collection in the Junior Department of the Free Public Library.

For the boys building their own racers for the Soap Box Derby there is Make it and ride it, by Maginley which gives clear directions for building one.

"Wild Trek," by Jim Kjelgaard is another story about Chiri the wild dog hero of Snow Dog.

"Green Sprig," by Dyer is a thrilling Revolutionary Day story which vividly depicts life in the captured city of Philadelphia. Boys will envy the adventures of the young American leader and his valiant dog in "Quest in the Desert," by Roy Chapman Andrews.

The story of a Canadian forest ranger and how they use planes is told in Young Brush Pilot, by Hambleton. Ball Hawk, by Bowen, The Cather from the Dougle A by Decker, Bases Loaded by McCormick, are exciting baseball stories for the baseball enthusiast.

How To Hold
FALSE TEETH
More Firmly in Place

Do your false teeth annoy and embarrass by slipping, dropping or wobbling when you eat, laugh or talk? Just sprinkle a little FASTEETH on your plates. This alkaline (non-acid) powder holds false teeth more firmly and more comfortably. No gummy, gooey, pasty taste or feeling. Does not sour. Checks "plate odor" (denture breath). Liberty Hotel Grand Opening Planned Friday

With an extensive program of remodeling completed, the Liberty Hotel, 13-15 Liberty street in the Seventh Ward, will have its grand opening, Friday, August 25, it is announced.

The new proprietors of the hotel, Steve Kopsky, Jr., and E. J. Kurtz, both local business men, have spared nothing to present one of the most up to date hotels in the district. Each of the hotel's 32 rooms has been completely remodeled and refurnished making all unusually attractive and pleasant.

The hotel's new lounge room immediately draws the attention of visitors to the building. Many other modern additions have been added to make each a pleasant one the new owners stated. The hotel specializes in steaks and chops and that delicious southern fried chicken. Spaghetti as you like it is served at any time. The dining room is open from 6 a. m. to 1 a. m. daily with the exception of Sunday, when the hours are 8 a. m. to 8 p. m. The management caters to private parties.

During the opening hours, Ermel Branstetter, well-known local entertainer, will provide music on the Hammond electric organ. Accordion music will also be an opening feature.

The public is invited to inspect the facilities of the Liberty Hotel.

Humbert Auxiliary Will Meet Friday

There will be a regular meeting of the King Humbert auxiliary Friday evening at 7.30 o'clock in the hall on Division street.

President Mrs. Harry Berardi will preside.

HONOR BRIDE-TO-BE

Honoring Miss Peggy Jo Campbell, whose marriage to James Woods of New Castle took place Wednesday at Villa Marie, about 50 friends gathered at a picnic supper Sunday evening at Indian Springs, picnic grounds at the home of Mr. and Mrs. Joseph Kuhn.

The long table was laid with white and various colored plates marked the places. An added feature of the gathering was the appearance of Aunt Eppy in costume who mingled with the crowd and then took the honored guests to a table where many lovely gifts were opened.

HONORED AT SHOWER

Mrs. John Lapin received members of the bridge club in her home Thursday evening in honor of Miss Peggy Campbell who was wed on Wednesday. Prizes were awarded to Emma Grace Kuhn and Reta Mae Campbell.

A lovely lunch was served at the table with a centerpiece of yellow tapers on either side. Places were marked by tiny yellow favors filled with candy. A kitchen shower was given for the honoree.

TENT HALL NOTES

Mrs. Sarah Montgomery of Beaver Falls are spending the week at the home of Mr. and Mrs. Elmer Baird.

The Sunday school held their annual picnic at Mahoning church last Saturday. Due to inclement weather, the event took place indoors.

ALL-GIRLS

SALT LAKE CITY—(INS)—It's an all-girl political campaign in Salt Lake City this year. Representative Reva Beck Bosone is believed to be the first woman in congressional history to be opposed by another woman in an election. Her opponent is Mrs. Roy Priest, the attractive mother of three children.

Believe Russia And Red China Do Not Want War

By JOHN R. REICHMANN
(I. N. S. Staff Correspondent)

WASHINGTON, Aug. 24.—Top United States officials are convinced today that neither the Soviet Union nor Communist China wants to become involved in a major war at the present time.

The Korean war is cited by some policy planners as bearing out this theory. They note that the peoples republic of North Korea is about the only satellite state with which Moscow does not have a mutual assistance treaty.

Therefore, they argue, the Kremlin could induce the North Korean forces to march without committing themselves.

Surveying the area around the Iron Curtain, one expert voiced the opinion that another move similar to that in Korea could not be undertaken without involving Russian forces.

Some household and laundry soaps are yellow because of the addition of rosin, a standard ingredient to give sudsing and hardening qualities.

Judge Thinks Swimmers Should Wear Clothing

WILMINGTON, Del., (INS) — Charles Bacon, 41, of Philadelphia figured a dip in Delaware's Brandywine would be a good way to get relief from the humidity.

Wilmington Deputy Judge Edmunds S. Hellings agreed but he didn't like the way police found Bacon cooling off.

Police said the Philadelphia man was swimming without a bathing suit and Judge Hellings fined Bacon $50—or, the equivalent of 50 days admissions to most bathing pools.

SOCIETY & CLUBS

Y.M.L. CLUB WITH MRS. NICK PEROD

Members of the Y.M.L. club spent a pleasant social evening Wednesday at the home of Mrs. Nick Perod, Hazen street.

Plans were discussed for the club's anniversary dinner to be held in the near future. Mrs. Daniel DiCarlo received the door prize. Sharing as special guests were Mrs. Robert Rainey and Mrs. Ralph Rich, each receiving a gift from the hostess.

Cards were an entertaining diversion with the winners being Mrs. Pat Offredo, Mrs. Joseph Cugini, and Mrs. Stanley Lavella. Mrs. Cugini also received a gift from each member in honor of her wedding anniversary.

A delicious lunch was served by the hostess, with the aid of Mrs. Rainey and Mrs. Rich. Fresh cut flowers centered the prettily appointed table.

The next get-together of the members will be on September 13 at the home of Mrs. Anthony Peluso, DuShane street.

CLUB '48 MEMBERS AT CASCADE PARK

Associates of Club '48 met Wednesday evening at Cascade Park, with Mrs. Geno Sforza as the hostess.

Mrs. Nick Panella was awarded the door prize. Plans were made by the group for a corn roast to be held Tuesday, August 29, with children as guests. The outing will be held at Cascade Park at 6:30 p.m., with Mrs. Romeo Colaluca and Mrs. Sforza comprising the committee in charge.

Mrs Anna Richards shared as a special guest. Games were enjoyed with Mrs. Nick George capturing the prize.

On September 13, the club will be entertained at the home of Mrs. Nick George, 507 E. Lutton street.

Rev. Arthur Woods At Leesburg Rally

Rev. Arthur Woods of Phoenix Ariz., former local resident, will be the featured speaker at the Leesburg Youth for Christ rally Saturday evening at 8 o'clock in the Leesburg Presbyterian church. Rev. Woods with his family is visiting relatives in this district.

Special music is planned for the service which will open with a period of singspiration and testimony.

BIRTHS REPORTED

Jameson Memorial Hospital

To Mr. and Mrs. C. J. Newman, R. D. 2, a daughter, August 23.

PERSONAL SHOWER FOR DOROTHY CIOFFI

Mrs. Arthur Carlson and Mrs. Harold Smith, Sr., entertained at a personal shower at a local tearoom Wednesday evening, honoring Miss Dorothy Cioffi, a September bride-elect.

Three tables of cards were the featured pastime, with competitive honors being won by Mrs. Frank Papst, Miss Veronica Print, Miss Helen Dickson, Mrs. Harold Smith, Jr., and Mrs. Virginia Restivo.

Lunch was served at a table beautifully decorated in pink and white, with roses centering the table. The bride-to-be was the recipient of an array of personal gifts.

Koreans Agree Not To Attack Hospital Ships

By PIERRE J. HUSS
(I. N. S. Staff Correspondent)

LAKE SUCCESS, N. Y., Aug. 24—(INS)—North Korea conditionally agreed Wednesday to observe the Geneva Convention and to refrain from attacking ambulances and hospital trains and ships.

The North Korean pledge followed three urgent attempts by U.N. Secretary General Trygve Lie to get confirmation from the Korean Communists of the arrival in Korean waters of three American hospital ships.

Pak Hen Nen, North Korean Foreign Minister, declared in a cable to Lie that the ships and all hospital units must bear the Red Cross emblem as provided by the Geneva Convention. He said the "appropriate authorities" have been informed of the hospital ships' arrival.

The cable at the same time attacked U. S. Air Force bombings of North Korean targets and said the air attacks violated the Geneva Convention "for the amelioration of the condition of the wounded and sick in the armies in the field."

The United States and Britain meanwhile were credited with a slashing propaganda victory over Russia in branding Soviet peace offensives as Hitler tools of agression.

The Byrd little America stamps were the smallest sheets of commemorative stamps ever issued by the U. S. Post Office Department.

McKissick's Horse Wins Blue Ribbon

Butch McKissick, riding "Rise and Shine", won the championship of the hunter division at the Berea Horse Show in Cleveland recently.

Butch is the 13-year-old son of Ed McKissick, 2009 Delaware avenue. Ordinarily Mr. McKissick's older son, Gay, rides the horse, but Gay was in Canada over the week end; so Butch ably took over the reigns.

There were more than 40 horses in the same class as Butch. In the six events, however, "Rise and Shine" did no worse than second.

Mr. McKissick thinks that he has a good chance of winning the Inter-State Championship this year. The championship is based upon the total accumulation of points throughout the entire season.

Hawks can fly at a speed of 150 miles an hour.

Milk Truck Drivers Serve Strike Notice

POTTSVILLE, Pa., Aug. 24.—(INS)—Milk truck drivers in the Schuylkill county area today served notice to regional dairies they will strike if agreement on their wage demands is not reached within the next seven days.

The AFL unionists last night voted to strike. The drivers are asking a $5-per-week increase plus a boost from one to three per cent in commissions on collections.

New Monthly Record For Building Construction

HARRISBURG, Aug. 24.—(INS)—The state labor and industry department today reported a new monthly record was established in July for the value of buildings under construction.

The value was $62,425,063, a gain of $4,999,045 over the previous month, according to the department. The 9,264 building permits issued were 522 below those issued in June but exceeded by 3,394 those registered in July a year ago.

The department based its figures on reports from 361 Pennsylvania communities.

VET BARBER

ERIE, Pa.—(INS)—When Nicholas J. Bichler, an Erie barber, sets out to do something he sticks to it. Back in 1897, Bichler decided to open a barber shop. At the age of 75, he is still cutting hair in the same barber shop after 53 years.

In the fiscal year which ended June 30, 1950, the federal government spent $40 billion plus took in $37 billion.

Increased Enrollment For Private Schools

PHILADELPHIA, (INS)—A nation-wide survey by N. W. Ayer & Son, a Philadelphia advertising agency, indicates increased enrollments in the nation's private schools for the coming year.

The firm, which handles advertising for more than 300 schools and camps, said the survey showed 60 per cent of the school reporting had enrollments by July 15 which equalled or surpassed those at the same time last year.

The survey also revealed that military schools, which had lost some popularity in postwar years, are getting inquiries and students at a greater rate.

Girl's junior colleges, however, are experiencing a slight decline.

Union Auxiliary To Meet This Evening

The regular monthly meeting of the Union Township Volunteer Firemen's Auxiliary will take place this evening at 8 o'clock at the home of Mrs. B. McFadden, Scotland Lane. The meeting is to be in the form of a wiener roast with members to bring their own supplies, while coffee and desert are to be furnished.

World's Greatest Lady Wild Animal Trainer, Is Coming

When pretty Harriet Beatty decided a few years ago that she would rather perform on the ground than in mid-air as an aerialist, she started on a path that led her to the topmost peak as the world's greatest woman wild animal trainer.

The young lady has astounded millions with her cool courage in the great circular all-steel arena of the Clyde Beatty Circus as she displays two of the jungle's most deadly and most vicious enemies—a Royal Bengal tiger and an elephant, in a display at one and the same time.

Mrs. Beatty will exhibit her mastery over the treacherous and ferocious beasts when the Clyde Beatty Circus comes to New Castle Friday, Sept. 1, for afternoon and night performances at Cascade street show grounds.

She and her intrepid husband, Clyde Beatty, the most famous wild animal trainer the world has ever known, who battles 28 lions and tigers of both sexes in the arena at one time, are among the myriads of noted circus stars listed under the big show's banners this year.

The Great Barton, the present wonder of the world—the man who stands on his forfingers; the Flying Thrillers, Spangleland's greatest troupe of stars on the high and lofty trapeze; the Monzello Troupe of spring-board acrobats; Frank Doyle, the suicidal aerial star, and literally dozens of others from among the 267 men and women arenic artists who go to make up this years' gala program.

A big menagerie filled with wild jungle beasts, and a huge double sideshow with a congress of human oddities from all parts of the world are still other things in store for circus patrons.

The performances starting at 2:30 and 8 p. m. daily, open with a gorgeously produced processional pageant in which great masses of people and animals take part.

WINNIPEG — Visitors at the Canadian Pacific railway station here were surprised to see smoke curling from the funnel of Countess of Dufferin, western Canada's pioneer locomotive, on permanent display here. Police said some child pranksters had been burning rubbish in the fire box.

It is estimated that there are 3,500,000 acres of peat, a form of fuel, in different parts of Great Britain.

Today's Fashion Flash

By PHYLLIS BATTELLE

NEW YORK, Aug. 24.—(INS)—Not since the days of Flo Ziegfeld have ladies had such glittering gams!

New York fashion, always a moderately conservative institution, has decided that jeweled hose are not only to be accepted—they're to be acclaimed.

So this fall will see the American woman deluged with everything in the way of nylon nonsense from butterflies on the knees to morning glories climbing up their seams.

The modes are admittedly less practical and more expensive than plain stockings, but manufacturers are constantly working on treatments to make a nasturtium-ed nylon as long-wearing as an untrimmed 15-denier.

By next spring, when the glitter-glamour hose are completely accepted, the processes should be developed. But maybe the mode will be out.

Until July, 1950, Ohio was the only state in the union which did not have a street named after it in Washington.

DAM ORDER

PITTSBURGH — (INS) — Westinghouse has received a $4,277,000 order from the Corps of Engineers, U. S. army, for four generators to be installed at the Chief Joseph dam project on the Columbia river.

Lions Have Corn Roast

Nearly 200 Attend Event At Lakewood

New Castle Lions club members and their families enjoyed the annual corn roast held at Lakewood Wednesday evening, with close to 200 being in attendance.

Following a fine menu of corn, hot dogs, and all the trimmings, plus ice cream and cake, a program of games and contests took place, with events for all ages, which kept everyone busy and interested.

Swimming, boating, and dancing were also enjoyed during the evening.

William M. McCombs was general chairman, with Quentin K. Craft, vice-chairman.

The committee on arrangements consisted of Ralph Sacripant, chairman; Dr. Thomas Fletcher, Rev. Stephen J. Kolcun, and Jay Rudolph.

Food, County Commissioner Harvey B. Bush, chairman; Clarence Hough, William Smit, and Fr. Ralph E. Hovencamp.

Entertainment, Henry Broad, chairman; Waldron Curley, Jack Butz, and James Richardson.

Special activities, Claude Jenkins, chairman; Harding Thayer, Charles Lumley, Frank Clobus, Councilman Richard I. Davis, John Loudon, and Arthur W. Meek.

Shorts' Daughter Made Large Through Marriage

CARSHALTON, Eng., August 24.—(INS)—Friends and neighbors for many years, the families Long, Short, and Little have cheerfully accepted jokes about their names.

Now the Shorts' only daughter has married and settled down nearby.

Her new name is Large.

India's Delegation Delays Proposal Until Malik's Out

LAKE SUCCESS, N. Y., Aug. 24.—(INS)—India's delegation to U.N. decided today to await the expiration of Soviet Delegate Jacob Malik's term as Security Council president before offering Korean peace proposals.

Chief Indian Delegate Sir Benegal Rau acted on instructions from Prime Minister Pandit Nehru in deferring until early September or later the presentation of a draft resolution calling on the Security Council to appoint a committee of the "Little Six" members to specify U.N. war aims and outline steps to a peaceful settlement.

Miss June Gettings Is Shower Honoree

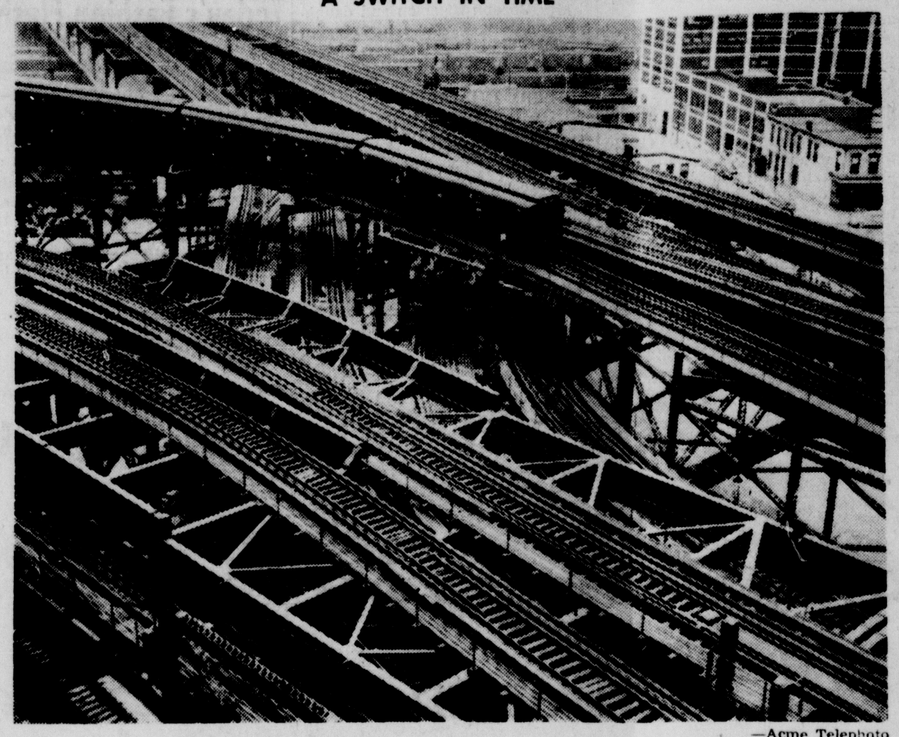
Miss June Gettings, East North street, bride elect of Saturday, August 26, was honored at a shower Tuesday evening, given by Mrs. Myron Boatman, at the home of the latter's mother, Mrs. I. E. Bigley, 402 Connor avenue. A bride's scrap book was assembled for the honored guest during the early portion of the evening.

Playing of games of a various nature was pursued during the later hours. The bride-elect was presented with an array of lovely gifts to be used in her future home.

Refreshments served by the hostess, aided her mother and Mrs. Victor Gardner, concluded the happy occasion.

Miss Geetings, a daughter of Mrs. Gladys Hershberger of Warren, Ohio, will become the bride f Paul Malaniak, son of Mr. and Mrs. John Malaniak, Volant, R. D. 3, in the Christian and Missionary Alliance church, 210 Pearson street, Saturday evening at an "open church" ceremony at 7:30 o'clock.

A SWITCH IN TIME



—Acme Telephoto

NEW YORK, N. Y.—A veritable maze of tracks and signals, complicated enough to delight the heart of any puzzle fiend, lies just outside the Queens Plaza station, New York's subway system's gateway to Queens. It is here that the underground becomes an elevated and it is here, too that several of the city's subway lines come together. Trains from many directions enter the maze, to be shunted of their proper track at the right moment, so that the commuters may reach their homes in the shortest possible time.

Senate Committee Approves Gen. Smith As Intelligence Head

(BULLETIN)

WASHINGTON, Aug. 24.—(INS)—The Senate Armed Services committee today unanimously approved Lt. Gen. Walter Bedell Smith, former ambassador to Moscow, to become head of the central intelligence agency.

He must now be confirmed by the Senate.

Committee members said Smith was asked only routine questions during the 10-minute hearing at which he appeared.

He was accompanied by Rear Adm. R. H. Hillenkoetter, whom he will succeed.

K. Of C. Chapter Planning Picnic

Knights of Columbus Council No. 512 met in the Ecclesian club rooms, South Jefferson street, Wednesday evening and further plans for the September picnic were made.

Grand knight Sam Dambrocia was in charge. Important business was transacted. Members are asked to make returns on their tickets by Sunday. Temporary social rooms have been acquired in the Ecclesian club.

Benediction was given by the grand knight followed by a social gathering.

More Marine Corps Reserves Will Be Called Says Lyman

Marine Lieutenant Col. Andrew I. Lyman, executive officer of the Northeasteren Marine recruiting division, visited the New Castle recruiting office Wednesday.

Lt. Col. Lyman stated that more Marine corps reserves will be called in the near future. He said that orders are now beng written to bring back many Marine corps lieutenants and captains.

He also stated that men can now enlist in the Marine corps reserve for an indefinite period of active duty.

No Decision As Yet On Crossing Of 38th Parallel

WASHINGTON, August 24.—(INS)—Rep. Davies (R) N. Y., said after a White House conference today that no decision has been made by the United States government on pursuing ground operations beyond the 38th parallel in Korea.

Davies said he learned this during his talk with the president.

He said the president told him that bridge would be crossed when American forces get to the 38th parallel.

Mrs. Headland's Mother Is Taken By Death

Friends of Rev. and Mrs. C. C. Headland, Petrolia, Pa., former New Castle residents, will be sorry to learn of the recent death of Mrs. Headland's mother, Mrs. Bruce White at Pitcairn, Pa., following a long illness. Mrs. White was preceded in death by her husband in June of 1949.

FINANCING 1950 CARS

The great travel factor in the lives of twentieth century Americans has been the automobile. More than twenty-four million American families have automobiles, and roughly two million families own more than one car. As usual, bank credit has helped to finance the manufacture of the new 1950 automobiles. It will also continue to help purchasers to finance the cost of their new cars. Before you buy a car, come in and arrange a low-cost bank auto loan here with us.

Favor Stranahan In Amateur Play

Defending Champ Coe Is Defeated

MINNEAPOLIS, Aug. 24—(INS)—Toledo's Frank Stranahan—playing the best golf of his career—leads a field of 16 today into the fifth round of the U. S. national amateur tournament at Minneapolis.

Where "big names" are concerned, Stranahan is all alone, the sole survivor of a "black Wednesday' in which three top-flight amateurs—defending champion Charlie Coe, Willie Turnesa and Dick Chapman—suffered upset defeats.

The Toledo ace takes on Willie Barber, a California favorite, in his morning match today.

Coe Bows Out

He ousted Canadian champion Bill Mawhinney, 1-up, yesterday with a three-under-par medal 68 and then trounced Fred Wampler, national intercollegiate titleholder, 4 and 3.

The favorite to meet the British amateur champion in the finals is quiet, bespectacled Harold Paddock of Aurora, O., who whipped Coe, 4 and 3, yesterday.

Last of the "big names" to bow out yesterday was Turnesa, winner of the amateur title in 1938 and 1948. He lost a 1-up decision to Loren Krugel of Mankato, Minn.

Chapman, the Pinehurst, S. C., star, coasted to a third-round victory over E. J. Rogers of Oklahoma City but then dropped a tough 1-up decision to Billy Maxwell of Odessa, Tex.

Optimist Club Has Corn Roast

New Castle Optimist club held a corn roast Wednesday evening for the members and their wives at Lew Pearsall's "Jellicoe" on the Neshannock creek.

Horseshoes, fishing and other games featured the evening's entertainment.

Next Wednesday the club will meet at The Castleton hotel at 6:30. Final plans for the Orange Crate Derby will be discussed at the meeting.

Quarterly district Optimist meeting will be held in Butler September 8 and 9. A large delegation and their wives from New Castle is expected to attend the banquet on the ninth.

Under the destructive insect and pest act, officials have the authority to check on all plants imported to or exported from Canada.

DAM NEARING COMPLETION

—Acme Telephoto

HUNGRY HORSE, MONT.—With nearly 500,000 cubic yards of concrete in place, Hungry Horse dam towers 174 feet high in the deep canyon of the Flathead river's south fork in Northwestern Montana. When the 564-foot-high, multiple purpose dam is completed, the Hungry Horse power plant will produce 285,000 kilowatts of power.

Consumer Milk Prices To Increase

HARRISBURG, Aug. 24.—(INS)—Consumer milk prices in three Western Pennsylvania milk marketing areas will be increased September 1 under tentative orders posted today by the State Milk Control commission.

Pittsburgh housewives will pay 21 cents a quart for delivered milk and 20 cents a quart at stores. Standard milk now sells for 19 cents a quart delivered and over the counter.

In the Erie and Johnstown-Altoona areas the price will jump a cent and a half to 20½ a quart.

Ginger Rogers Turns To Tennis

FOREST HILLS, N. Y., Aug. 24.—(INS)—Actress Ginger Rogers may be a novice in the coming national tennis championships, but she already has proven to easterners that she swings a mean racquet.

Miss Rogers warmed up for her forthcoming appearance in the nationals by teaming yesterday with gossip columnist Igor Cassini in the annual Pimm's Cup Celebrity tournament to defeat model Jean French and sportswriter Jim Burchard, 4-6, 6-0, 8-6.

Domesticated animals are usually more intelligent than their wild counterparts.

Rams Defeat Cardinals, 34-31

LOS ANGELES, Aug. 24.—(INS)—The Los Angeles Rams supplied evidence today that a good ground offensive is more effective than a sparkling aerial game—at least as far as the Chicago Cardinals are concerned.

The Rams stayed on the ground and the Cards took to the air last night and when the National Football League exhibition was over the Los Angeles eleven held a narrow 34 to 31 victory.

Glenn Davis Stars

It was the first win for last year's Western Division kings, and the third loss in as many starts for the Chicagoans.

The Army's fabulous "Mr. Outside," Glenn Davis, was the big gun in the Ram running game. Davis tucked the pigskin under his arm 10 times, gained 99 yards, and wound up the evening with a neat 9.7 average. He scored a touchdown in the second period.

Gorgeous Gussie Is Turning Pro

NEW YORK, Aug. 24.—(INS)—Professional tennis promoter Bobby Riggs has announced a coming-out party for his "new female tennis star," and the little darling who is to make her debut is none other than gorgeous Gussie Moran.

Gorgeous Gussie, of lace panties fame, was scratched from the entry list for next week's national championships, thus clearing the way for her immediate acceptance of Riggs' pro offer.

It was reported that Gussie will receive $65,000—a compromise between the $50,000 originally offered by Riggs and the $75,000 Gussie requested.

County Youths Show Fine Pigs

Many Win Places At Junior Event

Lawrence county youths, representing 4-H Clubs and F.F.A. Chapters who participated in the 11th annual Western Pennsylvania Junior Pig Show, held at the Pittsburgh Joint Stock Yards, Tuesday and Wednesday, made a most creditable showing against some stiff competition.

Keith McConnell, of Volant, carrying the colors of the East Brook F.F.A., won third place for showmanship, won a second place in the light heavyweight class for pigs between 225 and 245 pounds, and scored in the heavyweight class for pigs over 250 pounds. Russell Umstead, of Volant, won tenth place in fitting.

Other County Winners

Other county winners, included the following:

Heavyweight class—Tom Martin, Volant, second and ninth; Dave Martin, Volant, third and fifth.

Light heavyweight class—Lloyd Kildoo, New Castle, ninth; Richard Martin, Volant, tenth.

Medium weight class—Richard Martin, Volant, sixth place.

Lightweight class—Jean Presnar, Neshannock, tenth place.

Marvin Curfman, 4-H'er of Butler county won the grand championship, exhibiting a 280-pound pure-bred Hampshire, which also won tp honors in the heavyweight class. Curfman also won the grand championship in 1947, and last year, his sister, Faye Curfman won the grand championship. The reserve championship was won by Lyle McSparren, Venango County 4-H Club member.

The show was judged by L. C. Madison while James C. Christian named winners in fitting and showing contests. Both are extension livestock specialtists of the Pennsylvania State College.

House Is Ready To Approve Bill To Aid Dependents

WASHINGTON, Aug. 24.—(INS)—The house is set today to give overwhelming approval to a bill providing monthly benefits of $85 to $125 for GI dependents.

A different allotment bill passed the senate earlier this week.

The house measure would establish government payments ranging from $45 to $85 a month to which the serviceman would add $40 from his own paycheck. The benefits would be retroactive to Aug. 1.

Congressional action has been spurred by the Korean war and the demands for draftees and enlistees by the armed services.

The estimated ultimate cost of the house bill is 262 million dollars when the nation's full armed strength is reached.

Truman Objects To Loan To Franco

WASHINGTON, Aug. 24.—(INS)—President Truman objected again today to Senate action including a $100 million loan to Franco Spain in the current European aid act.

The President was asked for comment on the move at his weekly news conference.

He snapped: I don't like it.

The President said he had made his views perfectly clear in an earlier statement in vigorously opposing that use of aid funds.

Sgt. Stephen Grbich Added To Marine Recruiting Office

Staff Sergeant Stephen Grbich of Spartansburg, Pa., has been assigned to the local Marine recruiting office in the Post Office building to assist Staff Sergeant James Rowe.

Sgt. Grbich was called back into the Marine corps last Monday from the Reserves. He is a veteran of eight years in the Reserves.

Personnel at the local office was increased in hopes of obtaining more enlistments in the Marines for this area.

Kiwanis Has Annual Picnic

Enjoyable Event Is Held At East Brook

New Castle Kiwanians and their families gathered at the summer cottage of Dan Fisher at East Brook for their annual picnic Wednesday evening, when an enjoyable program was enjoyed.

Following a fine picnic dinner of hamburgers, hot dogs and all the trimmings, plus ice cream and cake, an informal program was presented.

Mrs. Joseph Hartman and Mrs. Harold Philpott, whose husbands are past presidents of Kiwanis, were presented with gifts by the Ladies of Kiwanis. Both families are leaving the city for new locations. Mr. Philpott was also presented wtih the club's past vice president's pin.

Songs and dances were presented by the host's daughters, and the evening was topped off by serving watermelon to all.

Arrangements for the evening were in charge of the younger members of the club, with Peter Grittie as general chairman.

Husband Follows Wife In Death By Suicide Route

WASHINGTON, Aug. 24.—(INS)—David Kennedy, 28, and his wife Stella, also 28, were joined in death today. Both died after drinking carbolic acid.

David and Stella came from neighboring Virginia towns, St. Paul and Clintwood. They were childhood sweethearts.

When David left the navy after the war the couple was married and they came to Washington to live.

Then, although he told his closest friend other girls meant nothing to him, David had a few dates with other girls. He failed to come home one night this week, and Stella drank carbolic acid.

She died in a hospital.

David was called home from work by the tragedy. Despite pleas of his friends he stayed in the apartment he had shared with his wife.

He was found dead, on the bed where his wife lay after she took the acid.

The coroner's verdict in both cases was the same—death by self-administered poison.

MARY, THE MOTHER OF JESUS

SHE WAS LOWLY, BUT HONORED OF GOD ABOVE ALL

Scripture—Luke 1:46-55; 2:7-19, 40-52; Mark 3-31-35; John 2:1-12; 19:25-2 7; Acts 1:13-14.

By NEWMAN CAMPBELL

Mary, mother of Jesus, is the subject of todays' lesson. We do not know very much about her—a word or two here and there in the gospels. But what little we do know makes us love her.

She is introduced to us quite casually, by St. Luke who tells the story of the angel appearing to this young girl and telling her the marvelous news that she was to be the mother of the Christ. At once Mary went to her cousin Elizabeth and imparted the wonderful message to her, and Elizabeth shared her joy so thoroughly that she sang a song of joy to Mary, beginning, "Blessed art thou among women."

Then Mary thanked the Lord for thus glorifying her in the beautiful Magnificat so called because that is the first word of the first line in the Latin text.

"My soul doth magnify the Lord, and my spirit hath rejoiced in God my Saviour. For He hath looked upon the low estate of His handmaiden: for behold, from henceforth all generations will call me blessed."

Any high-born lady would have been honored had the miracle happened to her, but God had chosen this simple, humble girl for the honor. All generations have indeed called her blessed.

Then follows the account of the birth of Jesus, and we must skip intervening happenings in this brief account, to the time Jesus was taken for the first time to Jerusalem for dedication when he was 12 years old. On the return journey to the home at Nazareth, Jesus was missing after a whole day's journey.

Mary had thought the lad was with others of the company, but when she and the father could not find Him they went back to Jerusalem. Three days they searched, finally discovering Him in the temple, holding conversation with the teachers there, asking them questions and listening to what they told Him.

In spite of her natural terror at losing her child, Mary asked Him gently, we are sure, "Son, why hast thou dealt thus with us? behold, thy father and I sought Thee sorrowing."

His answer, "How is it that ye sought Me? wist ye not that I must be about My Father's business?" seemed natural to Him, but Mary pondered it in her heart with other things about this wonderful Child.

Obediently Jesus returned with His parents to Nazareth, and "was subject unto them: but His mother kept all these sayings in her heart." She alone knew that her son was not like others. That He had a divine mission.

Another little episode in Mary's relation to her son is told us by St. Mark. Jesus was sitting in a house surrounded by friends. Mary and Jesus' brothers came, someone called Jesus and told Him His mother and brothers were without.

Answering, He said something that might have hurt His gentle mother, "Who is My mother and My brethren?" then answered Himself, looking around on those who were with Him, "Behold, My mother and My brethren."

Mary undoubtedly understood. He no longer belonged to her and His brothers and sister, but to the whole world!

St. John gives us another instance of this same seemingly unkind attitude of Jesus toward His mother, and her understanding that no unkindness was meant. Mary and Jesus attended a wedding in Cana. Mary found the host had no wine, and told Jesus. He said, "Woman, what have I to do with thee? mine hour is not yet come."

Mary simply said to the servants, "Whatsoever He saith unto you, do it." The form of address, "Woman," which would be considered an insult by any modern woman, was a correct form of address in those faroff days.

That Jesus did, indeed, love His mother and thought of her welfare is illustrated when He was dying on the cross. Seeing His mother and His beloved disciple, John, below Him, He turned to Mary, and, indicating John, said to her, "Behold thy son," and to John, "behold thy mother." And after the tragedy was over, John took Mary home with him and cared for her the rest of her life.

Phoenix Visitor Meets Old Friends

Mr. and Mrs. James D. Cross of "Queen Elizabeth Village", near Ramblers Rest, entertained a number of friends at their cottage recently in honor of deputy sheriff Albert Greer of Phoenix, Ariz. Albert is better known as "Grinny" Greer, formerly of "Slabtown" on East Long avenue.

Special guests were Mrs. Mary Hayden and Mr. and Mrs. John Rocks and son Kirby of Pittsburgh.

The hostess served a nice spaghetti dinner, assisted by Mrs. Annie Germania.

Mr. Greer returned Tuesday morning, ready to report for duty September 5. He met many friends at Old Timers Day in Cascade park from Slabtown.

Don't Be Satisfied With Symptomatic Relief! It's Now Possible To

RELIEVE THE CAUSE OF YOUR SICKNESS

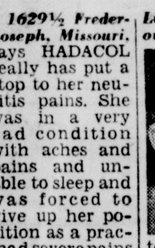
Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Heartburn, Constipation, Certain Nervous Disorders When Due to Lack of Vitamins B_1, B_2, Iron and Niacin in Your System!

HADACOL One of the Greatest Blessings of the Times!

Just a Few of Thousands Upon Thousands of Interesting Records of Folks With Such Deficiencies Who Have Been Helped

Mrs. C. C. Keller, 1629½ Frederick Avenue, St. Joseph, Missouri, says HADACOL really has put a stop to her neuritis pains. She was in a very bad condition with aches and pains and unable to sleep and was forced to give up her position as a practical nurse. She had severe pains in wrists and stiffness in her hips, being almost unable to walk. Now after taking one bottle of HADACOL, she is able to do her own housework. She most enthusiastically recommends HADACOL to all sufferers from neuritis pains.

Floyd Mabe, 14014 South 7th Street, St. Louis, Missouri: "For some time after a wartime injury I had been troubled with neuritis pains in my legs and could not work. Nothing seemed to help me until I tried HADACOL. After taking a half bottle, I seemed to feel better. My wife told me it was only my imagination, but I continued to take HADACOL and up to the present have taken 13 bottles. Now I feel fine with no more pains in my legs." (HADACOL is so effective because it relieves THE REAL CAUSE of neuritis aches when due to such deficiencies. Why don't you give HADACOL a chance to help you?)



Link Robinson (a steel worker for over 20 years), 519 Lindsey, Newport, Kentucky: "When your stomach is in bad shape as mine, couldn't eat, gas pains, stomach bloating and nervousness, then your body doesn't get the proper foods it needs. My boss told me about HADACOL and I started taking it immediately. After the second bottle I could tell a definite improvement. Now I can eat anything I want to. Best of all I haven't got those terrific gas pains and stomach bloating."

Mrs. L. Crifasi, 327 N. 14th Street, Springfield, Illinois: "I am elated with the wonderful results obtained by taking HADACOL. I had emotional indigestion, which is stomach distress and makes a person feel down and out. HADACOL seemed to be prepared for my ailment, for it made a new woman of me."

W. E. Hoxworth, a skilled maintenance man in Waco, Texas: "I almost had to give up my job because of suffering from stomach distress. I couldn't hold my food, as no food agreed with me. After hearing about HADACOL and completing a second bottle, I began to feel better and regain the weight I lost, and suffered no more indigestion. I now take HADACOL regularly to help stay well." (Why don't *you* try HADACOL?)

Mrs. J. Sciesinski, 514 Kruger, Ottumwa, Iowa: "My daughter, Marilyn Sue, is five years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results. She has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take her HADACOL, too." (Kiddies sure do like HADACOL.)

Mrs. John Geary, 840 Ursuline Street, New Orleans, Louisiana: "I had such a nervous stomach I was unable to eat regularly. Lots of times I was unable to hold any food on my stomach. Then I heard about HADACOL. After the first few bottles I could tell a definite improvement. Now my stomach doesn't trouble me at all. I eat anything I want. HADACOL is wonderful. You can see that, if it did so much for me after suffering so." (A big improvement is often noticed within a few days' time. One of the many advantages of HADACOL is that continued use helps prevent such stomach distress from returning. Don't continue to suffer. Start taking HADACOL *today!*)

Senator Dudley J. LeBlanc—the Man Responsible for the Great New HADACOL

Now! Thanks to the tireless efforts in scientific research of Senator Dudley J. LeBlanc—eminent statesman of Louisiana and creator of this great new HADACOL nutritional formula — it's at last possible to relieve the REAL CAUSE of such ailments as neuritis pains, stomach distress, gas pains, heartburn, indigestion, insomnia, certain nervous disorders and a general run-down condition due to lack of Vitamins B_1, B_2, Iron and Niacin.

Senator LeBlanc has just completed a modern $250,000 manufacturing plant and a similar one is well under way so that this wonderful HADACOL will always be available to the public.

What the Great HADACOL Does ...

No longer do you have to be satisfied with symptomatic relief—you can start *this very day* and relieve the REAL CAUSE of such ailments with HADACOL. Get that *wonderful* HADACOL feeling everyone is talking about! A big improvement in the way you feel is often noticed in a few days.

And continued use of HADACOL helps prevent such ailments from coming back. Naturally, there's an explanation for this. You see, HADACOL not only feeds deficient, run-down systems with extra quantities of Vitamins B_1, B_2, Iron and Niacin but also helpful amounts of precious Calcium, Phosphorus and Manganese — elements so vital to help maintain good health and guard against such deficiency sickness.

Sold on Strict Money-Back Guarantee

Don't continue to suffer! Be fair to yourself — start taking HADACOL today. HADACOL

RANDOM THOUGHTS

It has been carefully estimated that in the twenty years following World War I more of our natural resources were used than in the previous 20,000 years. By the same analogy the materials used in the four years of World War II equalled those used in the previous 20,020 years. The toll exacted by another world war is conjectural. If the atom bomb doesn't get us, then, the exhaustion of our natural resources will. The tactics used by a wily enemy are calculated to reduce us to dire need by doing the the latter—that is, if we permit them.

It is apparently of little concern to the average individual that since the Declaration of Independence all but a fifth of our original 822,000,000 acres of woodlands have been exhausted; seven-tenths of our grasslands have been reduced to a stubble and that almost a third of our arable lands have been eroded or otherwise destroyed. Upon studying the foregoing figures the average citizen rather apprehensively glances about, wonders what he can do about the situation and then, promptly forgets all about it.

Man is fundamentally a selfish animal. He thinks first of the welfare of himself and his loved ones before he begins doing something for the other fellow. And, in most cases, however intangible, he expects something in return for what he does for the less fortunate. We help our democratic neighbors primarily because it may insure the perpetuation of the American way of life. Many of us hoard because man is largely self contained and believes first of all in insuring the continuance of the creature comforts which he has grown to expect. Justification of hoarding by those who practice it is mindful of the Pharisee's attitude toward the publican as expressed in Luke 18:9.

Government economists and other experts declare that at the moment only about 10 per cent of our manufactured vital products are needed for the war effort. Yet, most business men are already feeling the pinch of scarce items. If full scale war should come are we once again going to sacrifice our forests? In the last war we cut down trees nine times faster than we were able to grow them. As a consequence can we withstand the intensified pollution of our streams and other waters because of denuded watersheds?

We are at the height of the exploitation of our resources while Russia's vast natural assets are virtually untouched. Are we being slowly bled for the great coup which will be delivered at the opportune time?

As individuals most of us think that little or nothing can be done to avert a catastrophic situation. Indeed, there are those who declare that this is no time to stint; that we must give our all for the war effort. Sure, but let's do it with open eyes as well as with an open heart. We as a people will never learn the importance of conserving what we have (and that includes the youth of our country) until we are made to suffer or have been imposed upon by others.

How does all this affect me, you may ask? Easy. One should habitually practice the correct use of our natural resources rather than just read and talk about them. This involves such things as soil, crops, landscapes, trees, flowers, sugar, rubber, meat, physical fitness, respecting the property of others and a thousand-and-one other things that touch the daily lives of every one of us. You see it is not as mysterious as you may have thought. Practice the golden rule and you will go a long ways toward doing your part.

Inadequate Housing Named As A Cause Of Juvenile Delinquency

PHILADELPHIA, (INS) — Adequate housing has been cited by the Philadelphia Housing Authority as an effective means of cutting juvenile delinquency.

In a report to Mayor Samuel, the authority said some 4,000 boys between 7 and 17 live in 9,572 dwelling units under its supervision.

The reoprt added:

"A comparison with the overall picture of each police district where projects are located has shown the incidence of delinquency by project youths to be low."

North Korean Reds Hard Put To Supply Troops

WASHINGTON, Aug. 24.—(INS)—Military spokesmen said today that the North Korean communists are using every possible makeshift including human transport to get supplies to their troops at the front.

Other means of supplying the communists include oxcarts, Russian made trucks that generally move at night to avoid air attack; trains, where they can still get through; junks and sampans, plying coastal waters too shallow for warships to enter.

Since Korea is a peninsula with a shallow coastal shelf and many inlets, the small craft can usually reach points fairly near the front if they can avoid attack by other small boats or from the air.

About 40 Boats Sunk

About 40 coastal vessels including patrol craft carrying cargo have been sunk by the U. S. and British navies and by the air force.

One tactic adopted by the communists sends a driverless oxcart loaded with ammunition up roads near the front.

Troops appear from cover at the side of the road long enough to seize the ammunition they need and whip the ox forward to the next stopping point.

More often, runners bring ammunition, food and even gasoline on their backs.

Military leaders are convinced that large numbers of Russian engineers are working behind the front to get the supplies through.

A bombing attack seldom knocks out the pylons of a bridge, and the span often be repaired overnight if the necessary materials and engineering skill are present.

Russian made pontoon bridges, and a new type of underwater bridge which consists of a reinforced steel platform suspended from heavy chains a foot or so below the surface so it cannot be detected from the air, are also in use.

Steps being taken to stop the makeshift flow of supplies include the following:

1. Coastal patrol by small boats in the South Korean navy, and the seizure of islands from which they can operate. One island off Inchon on the west coast and another off the southern tip of the peninsula have been occupied.

2. Use of three-minute, parachute-borne flares to enable B-26 bombers to attack truck convoys at night. Radar equipped F-82 twin-Mustang fighters also patrol and attack at night, but there are believed to be only 40 or 50 of these in the theater. Pilots report that the trucks often move without lights to avoid detection.

As U. S. and South Korean strength builds up, the allies expect to be able to send patrols behind the Communist lines to aid in stopping supplies.

Tifereth Israel Religious Services

Religious services Friday evening will commence at 8 p.m. at Congregational Tifereth Israel and Saturday morning services at 8 o'clock. Registrations of old and new students in the daily and Sunday school departments of Tifereth Israel school will be conducted this Sunday, August 27, from 10 a.m. until 12 noon; and throughout the month of September.

The Tiny Tot class will actively resume sessions again this Fall. A faculty meeting of the Sunday school department was held at the home of Rabbi Jules Lipschutz on Tuesday evening, August 22 at 8 p.m. A progressive and well balanced curriculum was outlined for the current school year. The members of the newly appointed faculty are: Miss Minna Miller, Mrs. Larry Horlicks, Miss Sylvia Epstein, Mrs. Herman D. Plant, Mrs. Louis Kulkin, Miss Sylvia Moresky, and Rev. Benjamin Miller.

Active classes will commence on Sunday, September 3 at 10:30 a.m. Fall classes in the daily Hebrew department will start on Tuesday September 5, at 4:30 p.m.

Bicycle Tests To Be Held On Tuesday

Inspection of bicycles will be held all day Tuesday in the police garage, city hall, North Jefferson street.

A policeman will be assigned to the task. He will be assisted by Police Chief's Secretary Caroline Black.

The bicycles must have lights for night driving, and a bell or horn for warning signals.

The brakes are examined.

After the bicycle passes inspection, the owner is issued a license.

The license is attached to the card and the owner is given a card containing the license number which he must produce when asked by police.

Bicycle riders are supposed to obey all traffic regulations.

They are prohibited from riding "double," on the wrong side of the street, or on the sidewalk.

There are more than 2,000 bicycles here. Approximately 1400 have been examined.

Rev. H. L. Johnson Will Speak Sunday

Rev. Harry L. Johnson, pastor of Edenburg Methodist church, will conduct the New Castle Ministerial hour over WKST next Sunday afternoon at 2:30 o'clock.

Inspiring music will be furnished by the church choir which will sing "Send Out Thy Light", by Charles Gounod, and "The Holy City", by Stephen Adams.

Mrs. Evelyn Amberson Pacheco will direct the singers, while Miss Rebecca Louden will serve as accompanist.

KARNAK, EGYPT—People who have been suffering under merciless barrage of jokes about their large feet can take heart in the fact that their's are not the largest pedal extremities in the world this size 12—12 feet, that is—foot is part of the underpinning of a 70-feet high granite statue of Rameses II, Egypt's greatest Pharoah, recently unearthed in excavations by the Egyptian government. Rumor has it that when the statue developed a bunion, the ancient Egyptians called in a local dynamiter, thus accounting for the absence of a toe or two.

MEMORIES PRESERVED

PEMBROKE, Mass.—Gowned in hoop-skirted tulle and lace, Miss Barbara Temple rode to Boston in a model T Ford for her wedding. She said the car was an old favorite of hers and that she vowed as a child to ride in it on her wedding day.

ANTELOPE CAN RUN FAST

KEMMERER, Wyo. — Jimmy Chrisman of Opal has proof that an antelope can outrun a truck.

While driving his truck through the sagebrush to rescue a calf, he startled a young antelope.

The antelope jumped over the cab and into the truck bed, took another leap and joined three other antelope.

"They have it all over my truck for speed," Chrisman commented.

PEANUT DIET

WINNIPEG — Officials of Assiniboine park zoo say the peanut-throwing public provides more than half the food required by zoo animals during the summer months.

Many Schools To Offer Driver Training Lessons

By AL SPIVAK
(I. N. S. Staff Correspondent)

HARRISBURG, Aug. 24.—(INS)—Nearly half of Pennsylvania's public high schools will offer driver training courses to students this year in an accelerated drive to reduce accidents on highways.

Safety officials will keep close tabs on the results through special registration numbers on licenses of students who have completed training.

Dr. Paul L. Cressman, director of the Instruction Bureau of the State Department of Public Instruction, reported that 366 public secondary schools will provide classes in automobile operation, a gain of 100 over last year.

"Credit for the increase is due largely to local citizens becoming more safety minded through campaigns organized by automobile clubs, dealers' organizations and safety committees," he said.

Will Conduct Classes

Regular faculty members will conduct driving classes in some schools while special instructors will be called into others, Cressman reported.

Dr. Henry Klonower, the department's director of teacher education, said special training courses have been set up for teachers at 30 colleges in Pennsylvania.

"Instructors will be required to complete a course amounting to nine semester hours in driving training, general safety and related subjects," Klonower explained.

"We want every person who undertakes teaching 'teen-agers how to drive to have a background of training and experience in which parents can have confidence," he said.

"It is not merely a question of showing youngsters the mechanical operation of a car," Klonower pointed out. "We must also teach them the responsibilities of being drivers and pedestrians."

Klonower emphasized that as long as teachers are adequately trained operation of an automobile "can be taught in schools just as well as can history or mathematics."

SERVE FRESH TOMATOES IN VARIETY OF WAYS

Fresh sun-ripened tomatoes are full of color, flavor, and vitamin C, and good to eat. Their use is not limited to a few slices on a lettuce leaf with a dash of salt and pepper or a bit of mayonnaise.

Fresh tomatoes add flavor to cooked dishes and may be put in spaghetti sauce, Spanish rice, and casserole dishes where canned tomatoes are used. Fresh tomatoes stewed with fresh corn cut from the cob make a colorful vegetable dish. Scalloped fresh tomatoes with buttered bread cubes and a bit of onion and green pepper are excellent for summer meals.

For something different, sprinkle halves or thick slices of tomatoes with finely chopped fresh herbs and buttered crumbs and put under the broiler a few minutes. Sweet basil is especially good, but any mixture of herbs may be used. Stuffed whole tomatoes make an appetizing luncheon or dinner salad. Suggested stuffings are cole slaw, cottage cheese, chicken or sea food salads. Mashed avacado mixed with cottage cheese and seasoned with lime juice, tobasco sauce, salt, and pepper makes a delightful stuffing.

For canning, use tomatoes that are ripe and free from blemishes. Cold pack tomatoes are usually superior in color, flavor, and texture, though you can get more in each jar by hot packing. To cold pack, fill jars to within a half inch of top, pressing gently to fill spaces. Add no water but put a teaspoon of salt in each quart jar. Process 35 minutes in boiling water bath. To hot pack, heat tomatoes to a full boil, fill quart jars, add salt, and process 15 minutes in boiling water bath.

CAN WITH A PLAN

Planning will do much to remove dangers in home canning operations. Decide upon the amount of food needed for your family, then plan each day's work so that you process only what you can do without becoming tired. Haste and fatigue encourage accidents. Take time to be ever watchful, and practice home safety during the canning season.

BEAR TAKES HINT

NEENAH, Wis. — Oscar Olson finally got tired of a night-roaming bear rattling milk cans on his farm and called the conservation warden. Six neighbors set bear traps. The bear hasn't been heard from since.

Three Hundred Million Sent To State Vets

HARRISBURG, Aug. 24.—(INS)—The State Bonus Bureau on Wednesday reported 828,107 claims representing $308,015,737 have been paid to date to Pennsylvania veterans of World War II.

A total of 1,194,73' applications were filed, the bureau said.

Processing was reported completed on an additional 95,696 claims, while 230,000 "irregular" still are in the processing mill.

"Irregular" claims, the bureau explained, are those requiring further substantiation of service.

The bureau reported 38,216 claims disallowed and 22,000 processed but ineligible for payment until additional supporting papers are submitted.

About 24,000 partial payment checks to ex-naval personnel have been mailed, the bureau announced, with payment at the rate of $10 for each month of service. An additinal $5 for each month of foreign service will be paid upon verification of navy records.

A total of 911,960 original discharge papers have been returned to applicants, the bureau added.

In some areas of China, divorces are still granted in the case of too much loquacity on the part of the wife.

High Wool Price May Result In More Sheep

HARRISBURG, Aug. 24.—(INS)—State agriculture secretary Miles Horst today pointed to high prices for wool, lamb and mutton as a sign of encouragement for Pennsylvania farmers to raise more sheep.

Wool production this year reached the lowest point on record in the state, Horst said, with only 1,520,000 pounds coming from 200,000 sheep.

"In 1867 Pennsylvania had nearly 3,000,000 head of sheep," he said. "Following reductions in tariffs in the 1890's our farmers became discouraged and sheep numbers have been dropping ever since."

"Last January we had in Pennsylvania only 217,000 head," he said.

COPS WANT RESPECT

BLOOMINGTON, Ill. — Indiana police chiefs went on record at their annual conference here as being opposed to "Komedy Kop" routines in movies and radio. The chiefs urged a nationwide drive to end such "unfair portrayals" because they created disrespect for policemen and contributed to juvenile delinquency.

HYDERABAD, India — Next year's census is expected to show that India has a population of 350,000,000, R. A. Gopalaswami, registrar-general, said here. He said 800,000 persons would take the census at a cost of about $2,000,000.

McCoy Class Wiener Roast

Special Guests From Canada And Altoona

Members of the McCoy Bible class of Mahoning Methodist church, gathered on Wednesday evening, at the home of Mr. and Mrs. Harry Wylie of Mt. Jackson-Enon Valley road. Families were guests.

A splendid corn and wiener roast was served by the hostess, assisted by Mrs. Ruby Arble.

In the grove at rear of the residence, the wieners were cooked at a large campfire. The bright moonlight added to the enjoyment of the occasion.

A short business session followed the repast, Mrs. George Kutz presiding. Plans were discussed for the coming year.

Next meeting of the group will be Thursday, October 5, hostesses and place to be announced.

Special guests were Mrs. Walter Austin and daughter Isabel, of St. Thomas, Ontario; and Mrs. George Cather and daughters Linda, Carol, and Candice, of Altoona.

Girl Scout Troop 60 Marks Anniversary

At Mahoningtown playground, Girl Scout Troop 60 assembled at 10 o'clock Wednesday morning, with Mrs. Earl Ruehl, assistant leader, and Mrs. H. F. Culbertson, committeewoman in charge. There was a short business session.

A period of instruction followed in the making of scout knots. The girls joined in group singing, and Barbara Glink's birthday anniversary was observed, the group singing "Happy Birthday."

Next meeting of this troop will be in two weeks, at Mahoning school.

Relatives Return To Home In West

Mr. and Mrs. Duane Garvin and children, Elizabeth, Janie, and Robert, have returned to their home in Temple City, Calif., after being called here to attend the funeral of their aunt, Mrs. Daisy Bright of North Beaver Township.

During their visit in this district, they also visited their aunt Mrs. Harry M. Patterson of New Galilee and other relatives and friends in the area. The visitors drove home via the northern route.

Mrs. Garvin will be remembered as the former Josephine Withrow of Big Beaver Township. While here she had the privilege of attending the nurses picnic of the Beaver Valley General hospital held at the McClain home on the Ellwood City Country Club Drive. She is a graduate of the class of 1929 of the hospital's school of nursing.

Young Man From Ward Dances In Movie Act

Mr. and Mrs. Tony Conti of 216 West Wabash Ave. state that their son Carmen, who resides in California, was one of the dancers shown in the movie play "Lawless" at the Victor, during the weekend.

He is known to be an ezpert "jitterbug" dancer, having won a number of prizes here and while in New York City, and was selected in Sacramento, for the dance in the play mentioned.

Carmen resides in Sacramento, and is employed as a shoe salesman.

Conference Year Closes Sunday

August 27 will be the final Sunday of the conference year at Mahoning Methodist church. The new fiscal year starts September 1.

The pastor, Rev. J. L. Petrie announces that the ordinance of baptism will be administered at the morning service.

School Nearly Ready For Fall Session

Janitors are working on the annex four rooms at Mahoning school, getting into spic-and-span shape for the beginning of the fall term on Tuesday morning, September 5. Teachers will report at 9 o'clock, and the pupils at 10, and dismissed at noon for the first day.

We took a walk through the halls of the main building, which look splendid, and all the rooms have a clean and neat appearance. Boxes of books were on hand ready for distribution to the pupils.

Officers, Committee Of P.T.A. Will Meet

On Thursday evening, there will be a meeting of the officers and committee chairmen of Mahoning Parent-Teachers Association, at the home of the president, Mrs. Joseph Zumpella, of 522 West Cherry street, at 8 o'clock.

Seventh Ward Notes

Mr. and Mrs. William Metz and son, Bill, of North Cedar street, are visiting in Virginia.

Mr. and Mrs. John E. Porter and son, John, Jr., and sister-in-law, Mrs. W. R. Weisbaker of Gardner Stop left today for St. Matthews, Ky., for a week's visit with Mrs. Porters sister and brother-in-law, Mr. and Mrs. Robert T. Wahl, Jr., and family.

Mr. and Mrs. Charles W. Conn of Omaha, Nebr., have left, after visting for two weeks with their cousins, Mr. and Mrs. William R. Bollinger of 104 West Madison avenue, and other relatives in the city. They will stop enroute for a few days visit in Chicago.

CHASES MOTORISTS

Carl Kennedy, 212 Smithfield street, at 2:15 a.m. today pursued but failed to apprehend a man in an auto who tried the back door of his home.

Hearing the noise he raced from the house.

He went out to investigate, saw two men in a car which was driven rapidly away.

Kennedy caught the license number which he has furnished to police for an investigation.

Africa is not the only lion country in the world; a few still remain in India.

Croton Traffic Light Is Placed In Operation Now

Having been inoperative since Croton Public school was dismissed for the summer vacation, the traffic light at Croton avenue and East Brook street was restored to operation, on a 24 hours operation, by Chief of Police Robert D. Hanna today.

There is a barrier across Croton avenue, which prevents traffic flowing north to the terminus of Croton avenue, except at a motorist's own risk.

"There is so much traffic at this intersection I deemed it necessary to have the traffic light operate 24 hours a day," the chief stated.

In 1949 the U. S. government printing office handled 2,000 carloads of paper and printed 3,217 million postal cards.

BITTEN BY DOG

Mrs. Ann DeLorenzo, West Wabash avenue, was bitten by a dog owned by Edward Ezzo, at the Ezzo home, West Washington street, yesterday. The wound was attended to and dog put on leash for observation.

The death rate per accident on highways at night is estimated to be 51 per cent greater than that occurring in daylight, although there is only one-fifth the traffic.

Just wash-wring out-hang up!

It's a fact! No other washing product is made the way Tide is made.

Just try Tide without rinsing. Take your wash right out of Tide's miracle suds—put it through the wringer—and hang it up miracle clean!

Tide keeps the dirt suspended in the sudsy water. When you wring out the clothes, the dirt runs out with the wash-water . . . and your clothes come from the wringer bright, white, and clean!

And clothes dry soft and fluffy... and they iron so easily you'll be delighted.

So easy! So safe! Skipping the rinsing actually saves wear and tear on clothes! And think of the time and work and hot water it saves!

Get Tide today . . . and remember! Other products may look like Tide . . . others may talk like Tide . . . but in your washing machine, they just aren't the same as Tide!

NEVER BEFORE PROCTER & GAMBLE'S TIDE, WAS THIS POSSIBLE!

P.S. WHICHEVER WASHING METHOD YOU USE... with-or without-rinsing TIDE DOES A BETTER WASHING JOB THAN ANY SOAP ON EARTH!

Hershey Wants U.M.T. Passed

May Be Last Chance To Preserve Peace

By RICHARD M. PALMER
(I. N. S. Staff Correspondent)

WASHINGTON, Aug. 24—(INS)—The nation's selective service chief told Congress Wednesday that swift enactment of a Universal Training Program "may be our last chance to save the turbulent peace."

The draft administrator, Maj. Gen. Lewis B. Hershey, testified before the Senate Armed Services Committee after Sen. Knowland (R) Calif., accused an attacker of UMT of resorting to the underhanded "sounding board" tactics used by Russian U.N. Delegate Jacob Malik.

Hershey was last witness to be heard in public in the committee's campaign to rush the peacetime training bill for 17 to 26 year olds through this session of Congress. He declared:

Irreplaceable Parts

"The Universal Military Training Program to make our manpower ready and a selective service to make our manpower available are two irreplaceable parts of the patter of survival."

Knowland's anger was aroused when James Finucane, associate secretary of the national council for prevention of war, charged that UMT is a disguished labor draft that could herd thousands of youths "into the Uranium mines of Colorado."

Knowland declared that the council official had turned his committee appearance into an opportunity for spreading an anti-UMT doctrine. He said it was the same tactic used by Malik in employing the U.N. security council as a sounding board for Red propaganda.

Good Progress On Harlansburg Road

Excellent progress is being made along the Harlansburg road where widening and partial relocation of the highway is taking place. Motorists will be forced to detour for some time yet during the progress of the work. When local highway work is completed later this year along various roads, only one major road which brings many out of town motorists to the city will need repairs.

The Wampum - Moravia road leading to the city from the Beaver county line, which is in need of replacing, is slated for improvements at a later date, it is reported.

Farewell Services For Eugene Johnson

Eugene Johnson, student at Toccoa Falls Bible Institute, Toccoa Falls, Ga., will be the special speaker Sunday morning and evening at the Sampson street Alliance church.

Mr. Johnson, who has been spending his summer vacation in the city will bring farewell addresses to the church before returning to his studies at the Georgia school. Special music will be presented by church vocalists during the services.

WAF Called By Error Refuses To Go Home

RANTOUL, Ill., Aug. 24.—(INS)—The WAF who wouldn't change her mind has officials at Chanute field up in the air.

Pvt. Cecile Udelle—who refused to go home after she was ordered to active duty by mistake in a call-up of male reservists—reported at the air force base Friday.

The field has plenty of WAFs, but all have had previous military experience. Pvt. Udelle has not. Since she is not qualified for advanced training school, there's nothing for her to do.

Officials said they may send the Chicago WAF—whose orders were addressed to "Cecile" Udelle in the apparent belief that she was a male—to Lackland field at San Antonio, Tex., which is equipped to handle new WAFS.

VFW Delegates Leave Saturday

Delegates to the 51st encampment of the Veterans of Foreign Wars, which will be held in Chicago next week, will leave Saturday for the big encampment.

Delegates who have been elected to represent Neshannock Post No. 315 and who will be in the party include George Hunt, David Baughman, Wilbur King, Albert Pilshaw, Cecil Smock, Edward Coyne, Edward E. Cross, Ted Galanski, John D'Aurio, James A. Bell and Frank T. Sargent.

Delegates elected to represent the Military Order of the Cooties are George Hunt, Edward E. Cross and Wilbur King. Mr. Hunt is senior vice commander of the Cooties for Pennsylvania.

From Chicago the delegates will go to VFW National Home at Eaton Rapids, where the Cooties will dedicate a new swimming pool for the children at the home.

Curtail Mail Sent To Canada

Because of the railroad strike now enveloping Canada, the Post Office department today issued a ruling curtailing shipment of mail matter to Canada, effective at once.

The only mail which is being accepted for delivery includes letters and post cards in the usual form, and parcels or letter packages, not weighing over eight ounces, which contain medicines, medical specimens for analysis or similar shipments.

War Romance May Send Gary Flyer Over To England

GARY, Ind., Aug. 24.—(INS)—A romance that began six years ago in Greece may send a World War II pilot from Gary on a lightplane solo flight to England.

Kiryako Arvanetakis, 24, is readying his Aeronca Chief two-seater for the flight to rejoin 18-year-old Stella Moustaka, the girl he met on a furlough in Greece in 1944.

Since then they have corresponded regluarly and became engaged by mail—but Kiryako does not relish the long wait before she can enter this country under immigration quotas.

So Stella may go to London while Arvanetakis flies there in short hops via New York, Labrador, Greenland and Iceland.

If they are wed in Europe, Stella can enter this country immediately as the wife of an American citizen.

House Members Vote $300 Increase On Their Stationery Allowance

WASHINGTON, Aug. 24.—(INS)—Members of the House voted themselves an additional $300 today to answer letters from their constituents.

By a vote of 164 to 61, the House approved a resolution authorizing the increase in their stationery allowance. No Senate action is required.

The measure, which will cost $131,400, was passed after a brief debate in which Rep. Rich (R) Pa., questioned the use congressmen make of their funds.

The $300 boost increases the amount provided this Congress from $1,200 to $1,500 for a total cost of $657,000.

This enables them to purchase from the House stationery store such items as paper, pens, ink, wallets, briefcases, electric fans and Christmas cards.

Maureen Riley Not Kathleen Lost To J. Martin Tuesday

According to the News yesterday Miss Kathleen Riley lost in the first round of the 26th annual class A championship tournament of the Women's golf association of Western Pennsylvania at Fox Chapel golf club on Tuesday.

So far we were right as Kathleen Riley did lose Tuesday, but it was her younger sister, Maureen, who was defeated by defending champion Jane Martin, 8 and 6.

Kathleen lost on the same day to Miss Betty Knoedler of South Hills, 5 and 3.

Mrs. F. B. Raffel of New Castle qualified for the second division of the same tournament and defeated Mrs. M. J. Graham of Oakmont, 3 and 2. Wednesday Mrs. Raffel won her second match, 3 and 1, from Mrs. R. S. Coyle of Nemacolin.

Softball Tourney Being Planned Here

Plans are under way in New Castle for a district softball tournament to be played here, beginning August 30.

Among the teams expected to enter are Sons of Italy team of Youngstown, New Brighton, Allen-Huston, Eagles, DeCarbo Bombers and Shamrocks of the City Softball league and Third U. P., Church league champions.

At least 12 to 16 teams are desired in the tournament. Any team wishing to enter should contact N. Rhodes, 500 East Main street, or Andy Benegasi, tournament chairmen.

Some 16 million Americans like to bowl.

Announce Prices Of Fight Tickets

NEW YORK, Aug. 24.—(INS)—The International Boxing club set a $30 top price today for tickets to the Sept. 27 Joe Louis-Ezzard Charles heavyweight championship fight at Yankee stadium.

Other reserved seats were scaled at $20, $15, $10 $8 and $5. The IBC expects the sceduled 15-round bout to gross more than $500,000.

A $50 top was charged for choice ringside seats the last time Louis fought before his retirement. On that occasion—June 25, 1948—he knocked out Jersey Joe Walcott in the 11th round.

In April and May, 1950, American steel companies for the first time were pouring more than 1,900,000 tons of steel a week.

RECIPE OF THE WEEK

By Mary Lee Taylor

Ranch Style Corn

⅓ cup finely cut bacon
3 tablespoons finely cut onion
1½ cups canned, cream style corn
¼ teaspoon salt
few grains pepper
2 tablespoons eggs
¼ cup Pet Milk

Cook bacon slowly until crisp. Drain off fat; save bacon. Put 2 tablesp. fat back into skillet. Add onion and cook slowly 5 min. Add corn, salt and pepper. Heat to boiling. Add all at once the eggs and milk. Cook and stir over low heat about 3 min., or until mixture thickens. Add bacon. Makes 4 servings.

You Will Need:

Pet Milk, Cream Style Corn, Bacon, Eggs and Onions.

Senators Snap Losing Streak With 13-9 Win, After Losing To Erie 6-3

Rossman Pitches Victory; Eugene Bilo Is Honored; Wagner To Hurl Tonight

The New Castle Senators broke a protracted eight-game losing streak last night, by trouncing Erie 13 to 9, in the night-cap of a twin-bill, after losing the opener in extra-innings 6-3.

The losing streak carried them from the top of the league to third place today, a half game back of the second place Butler Tigers, and five games back of the front-running Oil City Refiners.

Tommy Famiglietti Night

Tonight will be "Tommy Famiglietti Night" at Flaherty Field sponsored by the Jefferson Athletic club, and the Senators are going after an even split with the Sailors, who grabbed the opening series game Tuesday 3-1. Famiglietti will be presented with a gift tonight.

Manager Chuck Cronin has nominated the veteran Frank Wagner (11-5) to do the pitching tonight, to try for his 12th win of the year. Erie manager Pete Pavich has selected Rod McKay as the Tars' chucker for tonight.

Rossman Hurls Steady Victory

Ben Rossman, (11-9) last night hurled a steady game and went all the way although giving up 17 hits in the night-cap, he kept them scattered. George Becka lost a tough over-time nine inning game to Erie in the opener, giving up 10 hits, while New Castle had eight off of Carl Maloney, (14-7). Erie scored three in the top of the ninth of what was to have been a seven-inning game, tying the count in the sixth as Ray Rambin hammered a 350 foot homer off of Becka with Muller aboard. New Castle had gained a three to one lead in the earlier innings.

Bilo Given $200

Ellwood City came here last night about 300 strong and had their "Eugene Bilo Night", presenting the star center-fielder with a wallet containing $200, and a badge making him an honorary member of the Ellwood City police department in lieu of his speed on the bases, (68) stolen this year. Joe Latiano, on behalf of the Fraternal organizations of Ellwood made the presentation speech of the $200, and Denny Schill, secretary of the Ellwood City Chamber of Commerce presented the badge on behalf of Burgess Clyde Houk of Ellwood City. The fraternal orders gave $100, and $100 was in a war bond by his parents, Mr. and Mrs. Amedeo Bilo. Eugene thanked everybody concerned, as the various heads of the fraternal groups gathered around him at home plate.

Senators Come To Life

Their spirits naturally dampened by the 6-3 loss in the first game, their eighth straight, the Senators suddenly came to life in the fifth inning of the second game, scoring five runs by pouncing on Joe Schultz for five hits, and a walk before Bob Benning took over putting the locals ahead 7 to 6 and in the sixth inning continued their assualt chasing Benning and scoring six runs on three hits Benning walking in two runs, before Gene Hummer was sent to the mound.

Erie threatened in the top of the ninth, but Rossman bore down after allowing one run on three straight hits, with one out.

Senators Jubilant

The Senators were jubilant over their victory after so long a drought, that started Monday, August 14th as Johnstown won here 5-4.

Al Mouton had his batting clothes on in the second game, getting four for five trips and Famiglietti blasted three for six trips. In the first game Dondero had two for four. Brewer, Kress Golich, Testa and Rambin did some fancy slugging for the Tars in both games.

In the event of good weather tonight, there will no doubt be countless hundreds on hand tonight to honor Famiglietti. The Jefferson A. C. has been plugging the game quite extensively.

The following committee has handled the "Tommy Famiglietti Night" activity tonight at Flaherty Field: Sammy Bullano, Lou Costa and Tommy Leach.

Tom Hughes of Ellwood City was chairman of the "Eugene Bilo Night" arrangements last night and did a swell job.

Pulaski Whips Volant, 11 To 1

Teams Play At Pulaski Tonight

Pulaski defeated Volant 11-1 Wednesday evening at Volant in the first game of their first round playoff series, behind the two-hit pitching of Cameron.

Travers, Badila and McEachern paced the Pulaski 16-hit attack with three hits apiece. Cameron chipped in with two. One of Badila's hits was a home run.

The two teams meet in the second game of their series tonight at Pulaski.

No results were received of the No. 5 Vets-New Wilmington game.

Stegs Win City Softball Championship

Defeat A.&H. In Series Final

Stegs won the City Softball League Championship Wednesday evening at Gaston Park by defeating Allen-Huston 6-5 in the fourth and final game of the championship playoff series.

The win was the Stegs' third in the best-of-five series.

Roger Maggie did the hurling for the champions and held A. & H. to six hits. Chris Demos came back after only one day's rest and, outside of the first inning when the Stegs scored three of their runs, pitched a good game. He was relieved by Vargo in the fifth.

Allen-Huston came back strong in the last half of the seventh inning and came within a run of tying the game up, after trailing 6-1 going into the frame.

Ross, Pace Homer

Home run drives by Greg Ross and Pace featured that seventh inning uprising. Pace's came with one man on base. Sam Mooney hit a home run for the Stegs in the fifth inning and also chipped in with two doubles—one of them in the Stegg's big first inning.

Stegs won the City Softball League pennant with a 27-1 record, and took their first round series from the East Side Shamrocks in two straight games before winning the championship series.

The team played the first half of the season as the Moose Club, but changed the name to Stegs at the beginning of the second half. Jimmy Valentino managed the team throughout the season.

Unis-Indies Clash Today

Series' Winner To Play In Tourney

Universals defeated Franks 9 to 3 yesterday, which was their second win over Franks, and as a result the Universals and Lawrence Indies, the latter City Baseball loop flag-winners, will play at Chmurra field this evening in the first of a five-game series for the privilege of competing in the regional tournament of the NABF at Warren. For the benefit of those who do not know where Chmurra field is, it is located at Atlantic and Mahoning avenues.

Franks were held by Snow to seven hits while Burkes and Campbell were found for 13 hits. Pakovitch, catcher for Franks, accounted for one of their three runs when he blasted a homer. Fazzone, Conti, Razzano and Kearns also hit for extra bases.

Bukowski-Palmer Championship Match Scheduled Sunday

Stan Bukowski and Bob Palmer will play their 36-hole match for the Castle Hills club championship Sunday.

They will tee off for the first 18 holes at 9 o'clock Sunday morning and for the second 18 at 2 o'clock Sunday afternoon.

Jimmy Dart won the second flight championship by defeating Lou Lautenslager 1-up in 36 holes.

Bob Reiber won the third flight title by defeating Tom Kirol in the finals.

Jim Rugh won the fourth flight championship by topping Tom Donovan.

Girls Baseball Teams Will Thrill Fans Here

The Chicago Colleens and the Springfield Sallies of the world-famous All-American Girls Baseball league will play at Flaherty field August 25 and 26. Game time i. 8:15.

This action-packed event gives New Castle fans an opportunity to see the feminine major leaguers who receive the acclaim of sports fans wherever they appear.

These big league stars play a fast brand of real baseball—not softball. They represent talent from the United States, Canada and Cuba. The game, which is carefully designed to match the speed difference between men and women, is played on a diamond with 80-foot basepaths and 55-foot pitching distance. A baseball just slightly larger than the men's version is used. All baseball rules apply to this game—which sparkles with fielding action, hitting and basepath excitement.

Drew Nearly Million

For the second year, the Colleens and Sallies are on a barnstorming tour of the country which will take them through the east, northeast, south and midwest. Last year they traveled through 29 states, a distance of over 10,000 miles.

Both teams are part of the only major league of girls baseball, which operates ten teams in cities in Illinois, Indiana, Michigan and Wisconsin. This is the league's eighth season of ever-growing successful operation. The girls are fresh from a record-smashing 1949 season during which they drew nearly one million fans.

CANADIAN OPEN STARTS

MONTREAL, Aug. 24.—(INS)—The $10,800 Canadian Open golf tournament gets underway today with Sam Snead a heavy favorite to capture the championship he has won three times in the past.

Snead tops a record field of 210 that includes three other former champions, Gene Sarazen, Lawson Little and Gene Kunes.

Wampum Tops New Galilee

Bessemer Plays At Koppel Tonight

Wampum defeated New Galilee 8-1 Wednesday evening at Wampum to take a 2-1 lead in the playoff series.

Armatorio did the hurling for Wampum and held the losers to five hits. W. Shoaff started for New Galilee and was charged with the loss.

Jim McCready drove in four of the Wampum runs on three hits Powell had the only extra base hit of the game—a triple.

BESSEMER-KOPPEL

Bessemer and Koppel meet tonight in the third game of their first round series at Koppel at 5:45. Series stands at one game apiece to date.

WILL TRY AGAIN

SOMERSET, Mass. Aug., 24.—(INS)—Shirley Mae France says she will make another attempt to swim the English Channel—but she doesn't know when.

The 18-year-old high school swimmer came home to a huge welcome from her hometown folks and those of surrounding communities

Senior Golf Group Will Meet Tonight

There will be a final meeting of the Senior Golf association committee at the Castle Hills clubhouse tonight at 8:30 o'clock, with President Frank Summers in charge.

Final arrangements for the big annual Senior Day tourney at the Castle Hills course Wednesday, August 30th, will be made. Tickets for the event are selling rapidly, indicating a record turnout of golfers next Wednesday 50 years of age and over.

Yankees Rough On Tigers, Dodgers Win In 17 Innings

By JOHN BARRINGTON
(I. N. S. Sports Editor)

NEW YORK, Aug. 24—The Detroit Tigers are bound to escape from New York tonight with their first-place skins intact, but indications are that is about all they will have left.

The world champion Yankees—who should have been all but eliminated from the American League flag chase three weeks ago when the Tigers swept a series from them—now have won two straight from Red Rolfe's front-runners.

The Tigers must do an about face in the series finale today or their apparently safe lead will have dwindled abruptly from 3½ to a mere one-half game.

Yanks Win 7-5

The Yanks parlayed a Yogi Berra home run and Tom Ferrick's effective relief pitching into a 7-to-5 decision yesterday. That left the fourth-place Boston Red Sox also gained a game on the Tigers and moved to within one and one-half game of the third-place Cleveland Indians, who were rained out in Washington.

The Red Sox rolled up their ninth straight victory by stripping the St. Louis Browns, 9 to 5.

Phils Top Reds

Philadelphia and the Chicago White Sox split a twin bill. Rae Scarborough of the White Sox outpitched Lou Brissie, 1 to 0, in the opener. The A's slugged out a 6-to-5 decision in the nightcap.

The National League' pace-setting Philadelphia Phils kept rolling along with a 6-to-4 victory over Cincnnati. Del Ennis hit his 27th homer and Andy Seminick his 18th. Even so, Jim Konstanty had to make his 54th relief appearance in the ninth to assist Bob Miller.

Brooks Win In 17th

Brooklyn stayed five and one-half games off the Phillies' pace, the Dodgers winning a 17-inning marathon from Pittsburgh, 7 to 5. Ralph Kiner's 38th homerun in the ninth forced it into extra innings, and Gene Hermanski led off the 17th with a homer for the Dodgers for the actual winning tally.

Ralph Branca, pitching from the ninth inning on, was the winner and Mel Queen, fourth Pirate hurler, was charged with the loss.

The Boston Braves broke a third-place deadlock with the St. Louis Cardinals as Warren Spahn outdueled Gerry Staley, 2 to 1.

Reliefer Monte Kennedy choked off a Chicago Cub rally after Bill Serena had homered for three runs in a big eighth inning, and the New York Giants eked out a 5-to-4 win.

The 1950 Michigan State track team smashed 12 varsity records during the season, seven indoor and five outdoor.

Girl Baseball Player Tryouts

Here's a break for girls who want to play baseball with the All-American Girls Baseball league. You can show your skill to Mitch Skupien, supervisor of the Colleens and Sallies summer tour.

Tryouts will be held at 6:30 p.m. at Flaherty field on Aug. 25. Bring your own glove and spike shoes.

Girls who show skill may be offered contracts to play with the All-American. Player salaries range from $55 to $100 per week.

The New York Yanks have 58 football players in their Ripon, Wis., camp.

HERE and THERE IN SPORTS LAND

SELF-EXPLANATORY

New Castle, Pa., August 22, 1950.

To The Public,
Via Here and There:

I am writing this letter to let you know just how the Junior Baseball Federation Tournament at Dayton, O., is operated. To begin with, the team that goes there must have played together throughout the year and also won its sectional title. If the team should enter the finals its members will be thoroughly investigated as of age and residence. If it is found that any of the players are of illegal age or non-residence, the whole team will be disqualified from the tournament.

A certain Mann is using the Perry S. Gaston post as a nucleus, and other players from different cities. It was said by this Mann that the Legion All-Stars were not strong enough to be classified as a contender, yet he is using several players from the team! Also, it was stated in your newspaper that the boys going there deserved this trip (Note: Here and There in chronicling a few lines concerning the All-Stars, made no such assertion. It may have been stated in another story.)

Who is more deserving than the boys that gave their times, energy and effort to bring their team to its high position in the state eliminations. These boys lost only three games while winning approximately 30 games. Why should boys from other teams that were defeated by New Castle go to Dayton?

I, as a loyal citizen of New Castle, believe the people of New Castle should know the facts about the team and the tournament. Let us give credit where credit is due. These boys played under the name of "New Castle" and made the city known in baseball circles. Now the city of New Castle is turning its back on these boys and sending fellows from other cities.

I am writing this in hopes that you will print it in your column and let the people of New Castle know what's going on.

Thank you.

(Signed) JIM WEINGARTNER.

P.S. Please, for the people's sake, print this.

MRS. DON MOONEY, of Emery street, has returned from a fishing trip to North Bay region, Canada, where she caught bass, pike and pickerel. Mrs. Mooney is the treasurer of the Lawrence County Sportsman's Association. . . . Geneva college gridders are in training. . . . Because the regional play of the NABF begins August 26, it appears the Lawrence Indies, City circuit winners, will play in the tourney Apparently there is insufficient time to settle the City loop Shaughnessy play-offs before that date, according to A. B. Alexander, loop secretary. . . . Ray Biddle of Edenburg reports he has not seen any crows for weeks in the Edenburdg-Hillsville section. . . . In figuring European events in which meters are mentioned, regard a meter as 39.37 inches. . . . Joe Louis got $50 for his first pro fight when he boxed Jack Kracken in Chicago, in 1934. . . . After leading the City circuit for the greater part of the season, St. Margaret's bowed out on the home stretch, and were also eliminated in the Shaughnessy play. . . . A fan said to Tommy Leach, JAC, recently: "Why not match a good white fighter against Elkins Brothers?" Jimmie Avon, Cleveland fight manager, who was conversing with Tommy asked: "Where are you going to find one?" . . . Years ago Charlie Garbett and Jim Dygert caught the bass limit often at the "Flint" rock, in the Neshannock, near the Big Hole. . . . One of favorite places where Attorney Charlie Davis angled was near the dam in the Little Neshannock. Yank Clark of Pulaski favored the Big Bend in the Shenango for muskie fishing. . . . Phil Greer had an intimate acquaintanceship with the O&P'rs ball team whose home grounds were in South Mill street. . . .

Notice Of Public Auction Sale Of Real Estate

Notice is hereby given that the City of New Castle will offer for sale at Public Auction on Tuesday, September 12, 1950 at 9 o'clock A.M., E.S.T., on the premises, all of the following described real estate situated in the Fourth Ward of the City of New Castle, Lawrence County, Pennsylvania, more particularly described as follows, to-wit:

Bounded on the North by Grove Street; on the East by land of Lockley Machine Company; on the South by an alley; and on the West by Neal Street; being 100 feet in front and extending back of even width 150 feet; and known and designated as Lots numbered 152 and 153 on Section 43 of the City Survey.

There is erected on the said land a two-story concrete shop building presently used by the City of New Castle as a tool and machine shop, and also a one-story building.

The said land was purchased by the City of New Castle from the Lawrence Savings and Trust Company, Administrator in the estate of John W. Keast, by Deed dated August 10, 1943, and recorded in Deed Book 327, Page 190, for governmental purposes. If a suitable price is offered for this land, it will be sold by the City, and a new building built on land later acquired by the City of New Castle for the same purposes, for which this land was originally purchased.

If, at the said Public Sale or Auction, a satisfactory price is received for this land, possession will be given to the successful purchaser on or before the first day of January, 1952.

All persons desiring to bid upon the said property shall be required to deposit with the City Clerk, prior to the time of the sale, a certified check or cash, in the amount of Nine Hundred ($900) Dollars. The deposit of the successful bidder shall be applied upon the purchase price of the said land, and the balance of the purchase price shall be paid in cash upon the delivery of a good and sufficient special warranty deed from the City to the purchaser.

The City shall pay to the purchaser, from the date of the delivery of the deed by the City to the said purchaser, for the said land, until possession of the said land is actually given to the purchaser, a rental at the rate of two (2%) per cent per annum on the amount of the purchase price, together with any taxes which may be levied or assessed upon the said land during the said time; and the City shall keep the buildings on the said land insured for the benefit of the purchaser, during such time, at eighty (80%) per cent of their appraised value.

The City of New Castle has already received a bid for the said property, at which price the bidding at the said auction or public sale shall be started.

The City of New Castle reserves the right to reject any and all bids at the said sale, and if the said property is sold by the City, the said sale shall be made subject to the reasonable approval of the title to the said land by the successful bidder's attorney.

JACK H. FRITZ, City Clerk.

Bids For Electric Work

The County Commissioners of Lawrence County, Pennsylvania, hereby request sealed bids for furnishing necessary materials and doing the work of relieving the electrical load on the panel boards of the Register and Recorder's Office and also in the rear hall stairs to the second floor of Lawrence County Court House, according to specifications for the same prepared by Marvin Electric Company and now in the office of the Chief Clerk of said County Commissioners. This work will include installing at least 6 circuits fully detailed in said specifications. All work to be done in accordance with rules and regulations of the Underwriters Association.

Said bids will be received by the undersigned until Wednesday, September 6, 1950 at 9:00 o'clock A.M., E.S.T., at which time they will be publicly opened in the Assembly Room of the County Commissioners on the second floor of the Court House. Each bid must be accompanied by a certified check, cashier's check of other bank check in the sum of One Hundred and no/100 ($100.00) dollars, payable to the County of Lawrence, to be forfeited to the County to the extent that the County suffers loss by reason of the failure of the successful bidder to sign the required contract and give the required bonds within 10 days after the contract is awarded to him.

The County Commissioners reserve the right to reject any and/or all bids.

W. A. EAKIN,
Chief Clerk.

AN ORDINANCE

Providing for the ordination and opening of a certain street in the Fifth Ward between Warren Avenue and Vogan Street, to be known as National Street; establishing a grade thereon; providing for the construction of a sanitary sewer therein and for the payment of the cost and expense of making the said improvement.

WHEREAS Philip Winter is the owner of all of the land in the Fifth Ward abutting upon a street, which he has dedicated to public use and has named National Street, the center line of which commences at the center line of Warren Avenue 134 feet South 57 degrees 40 minutes West from the center line of Bradner Avenue and extends South 23 degrees 45 minutes East 475.40 feet to the center line of Vogan Street, and

WHEREAS the said Philip Winter has petitioned the City to open the said street, establish a grade thereon and construct a sanitary sewer therein, all of which work he agrees shall be done at his cost and expense, and he has agreed to deposit sufficient money with the City Solicitor to pay for the cost and expense of the said improvement, when the said work has been completed and the claims have been assessed thereon for doing the said work.

SECTION 1. NOW, THEREFORE, BE IT ORDAINED AND ENACTED BY THE COUNCIL OF THE CITY OF NEW CASTLE, PENNSYLVAIA, That National Street in the Fifth Ward between Warren Avenue and Vogan Street be accepted, ordained and established as a public street, 40 feet wide, one-half of which shall lie on each side of the following center line, to-wit:

Commencing in the center line of Warren Avenue at a point 134 feet South 57 degrees 40 minutes West from the center line of Bradner Avenue; thence South 23 degrees 45 minutes East 475.40 feet to the center line of Vogan Street.

SECTION 2. That there is hereby established on the said National Street the following grade, to-wit:

Commencing at the South line of Warren Avenue at an elevation of 1024.20 feet; thence rising by a grade of 3.134%, 418.02 feet to the North line of Vogan Street, at an elevation of 1037.40 feet.

SECTION 3. That a sanitary sewer shall be constructed in the said National Street according to plans and specifications prepared by the City Engineer, revised by Council, August 2, 1950, and on file in the Office of the City Engineer as Drawing No. 2721.

SECTION 4. The whole cost of the said improvement shall be paid for by the said Philip Winter, on or before the date of the awarding of contracts for the doing of said work and the cost of the same, when paid by said Philip Winter, is hereby appropriated to Appropriation No. 307UU6, out of which the contractor shall be paid, when the work is completed and accepted by the City.

Changing the established grade of Wooley Avenue between Syling Street and Vogan Street and providing for the construction of a sanitary sewer therein, extending from a point 275 feet South of the manhole in Syling Street, along the center line of Wooley Avenue to the said manhole, to connect with the present sewer in Syling Street; and providing for the payment of the cost of the said improvements.

WHEREAS Philip Winter is the owner of all the lands abutting on Wooley Avenue between Syling Street and Vogan Street, and has petitioned the City of New Castle to construct a sanitary sewer therein at his own cost and expense, and

WHEREAS it will be necessary, in order to construct such a sewer in the said street, to change the established grade thereon.

SECTION 1. NOW, THEREFORE, BE IT ORDAINED AND ENACTED BY THE COUNCIL OF THE CITY OF NEW CASTLE, PENNSYLVANIA, That the grade on Wooley Avenue in the Fifth Ward, as it has been heretofore established, be changed, fixed and established as follows, to-wit:

Commencing at the South side of Syling Street at an elevation of 1017 feet; and arising thence at a grade of 0.30%, 367.64 feet to the North line of Vogan Street at an elevation of 1018.0 feet.

SECTION 2. That a sanitary sewer be constructed in the said street, extending from a point 275 feet South of the sanitary sewer in Syling Street, to connect with the said sanitary sewer in Syling Street at a man-hole at the intersection of Syling Street and Wooley Avenue, according to plans and specifications prepared by the City Engineer, revised by Council August 2, 1950, and on file in the Office of the City Engineer as Drawing No. 2721.

SECTION 3. That the whole cost of said improvement shall be paid for by the said Philip Winter, on or before the date of the awarding of contracts for the said work and the cost of the same, when paid by the said Philip Winter, is hereby appropriated to Appropriation No. 307UU6, out of which the contractor shall be paid, when the work is completed and accepted by the City.

Former New Castle Folks Have Picnic In California

(Contributed)

The second annual picnic of the former New Castle, Pa., and Lawrence county residents was held at beautiful Anaheim Park, Anaheim, Calif., 35 miles south of Los Angeles on the Coast Highway, July 23.

Over 200 registered during the day. At noon the master of ceremonies, Percy P. MacNab, announced now is the time for the "elite who come to meet to eat". Well, everything from California corn to Georgia watermelons was enjoyed including some fried chicken from Lawrence county.

Many were missed from last year's attendance but many new faces appeared. It was a grand family picnic. We met some folks who we had not seen for many years. After dinner MacNab called the gang to attendance for a business meeting which ended in complete harmony. Collection was in order, birthdays announced and introductions of the old timers. They decided to hold the next gathering at the same place in July 1951.

Congratulations to Stanley Whieldon, a former New Castle resident, of Anaheim, Calif., and William G. Fleming (former county detective) of Santa Ana, Calif., who were the picnic committee to round up the New Castle people who live in Southern California.

At any New Castle-Lawrence county get together the descendants of Pennsylvania gather under the trees and talk about the old home. That's what most of them did, to say hello to each other, to talk about friends, the crops and the fruit they put up and the good old times. These California folks formerly came from New Castle, Volant, Mercer, Stoneboro, Mahoningtown, Mt. Jackson, New Wilmington, Pulaski, Enon Valley, Princeton and Harlansburg.

We were honored by the presence of Mr. and Mrs. Jake Rentz of the News Co., and Richard's daughter who were sunning in Tempe City with their son, Freddie and wife. Many of the guests have resided here for years, some have come recently and others here for a vacation. Seated around the tables and on the grass under the warm sun gnawing on chicken legs, digging into the potato salad and watermelon and what a sight, families and kids, young'uns and old 'uns having a grand time discussing crops, how much hay we put up, the large kettle of apple butter when families gathered to stir. The ole swimmin' hole up the Neshannock, and do you remember Washington street cobble stones in the 80's and the 26 covered bridges in the county, and the beauties of the Slippery Rock. Is your name carved on the covered bridge, and Ole Mose now over 100.

These are the memories of long ago that old friends love to chat about. Should auld acquaintance be forgot, we should say not, all went home conscious of a day well spent.

Safety Director Warns Motorists To Dim Highbeam

PHILADELPHIA, (INS) — Dim your headlights when approaching other vehicles and there will be fewer night accidents, says Robert N. Hoffman, safety director of the Automobile Club of Philadelphia —AAA.

Warning that headlight glare is one of the chief causes of night road mishaps, Hoffman said that many motorists forget to turn down their headlights.

The safety director said motorists should remember the two times when headlights must be dimmed. They are:

1. "When approaching within 500 feet of a vehicle coming from the opposite direction.

2. When pulling up behind a car traveling in the same direction.

Follow these rules, Hoffman added, and help make our highways safer.

Now She Shops "Cash and Carry"

Without Painful Backache

As we get older, stress and strain, overexertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions.

If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 50 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's give happy relief — help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!
